10. (CONF) RWANDA: GOVERNMENT FORCES HAVE CAPTURED A SAM-7 ANTI-AIRCRAFT MISSILE LAUNCHER FROM REBEL FORCES IN NORTHERN RWANDA. THIS IS THE FIRST EVIDENCE THAT THE REBELS HAVE SAM-7S. THEIR POSSESSION OF SUCH A WEAPON INCREASES THE POTENTIAL THREAT TO NONCOMBATANTS. CONCEIVABLY, THE REBELS COULD MISTAKE A CIVILIAN AIRLINER FOR A MILITARY CARGO PLANE.
