

NOTE FOR THE RECORD

Was informed by (b)(3):10 USC 424 DFOISR, on 21 August that DFOISR is effectively assuming responsibility from DIA for review of this case. DFOISR's support of OSD's total denial necessitates this.

DFOISR Chief, Mr. Henry "Mac" McIntrye, has contacted DOE, as he agreed to do on 14 August, to convey DoD's position to DOE. DOE concerned that their review be have been lacking.

DFOISR did not convey to me what DOE will do.

DFOISR will prepare response to formally notify DOE of DoD's total objection to publication.
