15. SUMMARY: EVALUATION OF THIS REPORT IS REQUESTED (Leave Blank)

1. This report concerns reported sightings of UFOs on the ROK east coast and north of the Korean Demilitarized Zone (DMZ).

2. (U) Because of the sensitivity of Source, the information in this report is not releasable to foreign nationals.

167

1. On 10 and 11 February 1970 a meeting of all commanding officers (CO) of ROK Air Force (ROKAF) Security Units (SU) throughout the ROK was held at ROKAF Headquarters in SEOUL, ROK. At that meeting the ROKAF Chief of Staff gave those in attendance a highly-classified briefing concerning recent sightings of UFOs in KANGWON-do, ROK.

2. Since the beginning of 1970 ROKAF radar stations along the eastern coast of the ROK in KANGWON-do have been sighting (detecting) maneuvers of large balloon-shaped objects at high altitudes just north of the extreme Eastern Sector of the Korean DMZ. On several occasions these UFOs, which the ROKAF officials are assuming to be dirigibles because of their shape and speed, have penetrated ROK air space, traveled in a southeasterly direction over KANGWON-do

and then exploded. ROK efforts to recover debris subsequent to the explosions have been unsuccessful.

(Leave Blank)

3. The ROKAF Chief of Staff speculated that if current maneuvers of the UFOs prove to be successful, then NK may use the self-propelled balloons for dropping agents, propaganda, or even epidemic germs into the ROK. His briefing and speculation caused consternation among the ROKAF SU CO's because this was the first report they had had of such penetrations.

COMMENTS: The information in this report was furnished by a medium-level member of a ROK intelligence agency in the PUSAN, ROK area, and who has been reporting on an irregular basis for the last four years.

(Leave Blank)

within the container and the space capsule itself, when the capsule neared earth. This defect has been corrected by calculating changes in atmospheric pressure on a more realistic level and by increasing the hardness of the parachute container.

b. Confirmation of Soviet moon data by US astronauts: The Soviet Union has a well-coordinated program for travel to the moon and has compiled complete and detailed data concerning conditions on the moon through its moon station. It has photographs of the moon's back side and complete data on the make-up and characteristics of its surface, the moon's gravity field, etc. "The US astronauts who landed on the moon only confirmed what we already knew," he said.

c. Soviet plan for space station: The Soviet Union presently is conducting intensive research on putting a mammoth space station into orbit. Because of the tremendous amount of research necessary and the entirely new concepts of construction involved, the Soviet Union cannot say when this project will be completed.

d. Disbelief in UFOs: The speaker said he does not believe in the existence of unidentified flying objects (flying saucers). Why, he asked, would flying saucers, if they do exist, be seen only over the United States, France and Italy? He said there is no record of any of the Soviet observatories, which are manned by highly trained technicians, ever having seen a flying saucer.

Field Comment: [REDACTED] Source is a Japanese government agency official.

Comment of Preparing Officer: (U) The information in this report was obtained through liaison channels and may duplicate information obtained by other US agencies.

15. SUMMARY:

(Leave Blank)

Report provides information taken from a talk given by Soviet cosmonaut LEONOV (phon) at the Shonan (STC 3256/0589) annex of Tokai University in KANAGAWA Prefecture, Japan, on 18 May 70. The cosmonaut talked of Soviet experiences in space and future plans of the USSR in space exploration, to include a mammoth space station which the USSR plans to put into orbit sometime in the future. He also expressed disbelief in UFOs.

(Evaluation Reports, DD Forms 1480, prepared on this IR will be classified at least [REDACTED])

The following information on Soviet space technology and research was extracted from a lecture presented 18 May 70 to an audience of 1,000 faculty members and students of the Shonan (STC 3256/0589) Campus of Tokai University in KANAGAWA Prefecture, Japan, by Soviet cosmonaut LEONOV (phonetic):

a. Improvement of space capsule braking equipment: Intensive research and probing into the cause of the landing mishap which killed Soviet cosmonaut KOMAROV show responsibility lay with failure of the small lead parachute to exert sufficient force to yank out the master braking parachute from its container shortly before touch - down. The cause eventually was traced to deformation of the parachute container as a result of the drop in atmospheric pressure, both

Date	Location	Description	Observer	Remarks
11 Sep 73	El Ferrol del Castillo (4329N-00811W)	Bright, circular, with two heaps, appeared to have feet on bottom part. Emitted a very powerful light.	Various.	Was immobile during time of observation.
11 Dec 73 (early morning)	Málaga (3643N-00425W)	Circular, like a flying saucer, had an intense red light	Various residents of Salitre and Cuarteles Streets, Málaga.	Remained quiet for about 15 minutes, then departed suddenly towards Torremolinos. (3637N-00430W)
17 Mar 74 (morning)	Sighted from football field of Guadalupe, Málaga.	N/A	Four youths.	
22 Mar 74 (early morning)	Arrecife, Lanzarote (3742N-00451W)	Yellow, longitudinal, like tail of a comet.	Fishermen.	Sighted for approximately 50 seconds, then it became violet in color, finally disintegrating.
23 Mar 74	5 kilometers south of Castillo de las Guardas (3743N-00618W)	Mother ship - aluminum, 150-200 meters long. Three smaller ships resembling mushrooms. Flew silently, had no windows but towers above and below.	Traveling salesman from Sevilla (3723N-00559W)	Was pursued by one of the smaller ships, which disappeared as observer entered village of Castillo de las Guardas.
23 Mar 74 (3 a.m.)	On highway near Sanlúcar de Barrameda (3647N-00621W)	Luminous, metal-like.	Chauffeur of President of Cádiz Provincial Commission.	Object moved upward with great brilliancy. As observer approached object, he felt a strange sensation. His car finally came practically to a stop, wavering back and forth like a feather.
24 Mar 74 (8:30 p.m.)	Córdoba (3753N-00446W)	Round, luminous, pink, not very large.	Two 13-year-old children.	Object came with great speed at the two children, who fled behind a lamppost. Being further pursued, they ran into a house. Object ascended and flew away.

CONTINUATION SHEET

(Leave Blank)

26 Mar 74 (3:30 a.m.)	Villa de Suro Maras (4202N-00862W)	Large, oval, bluish green.	Hairdresser.	Ascended vertically, noiselessly.
26 Mar 74 (night)	Cádiz (3632N-00618W)	Luminous.	Various.	Object stationary according to an observer with binoculars.
26 Mar 74 (evening)	Jerez de la Frontera (3641N-00608W)	Revolving green and white lights, resembled a flying saucer.	Many people.	Made little noise, turned for several minutes.
26 Mar 74 (2 a.m.)	Valdehijaderos (4025N-00551W)	Luminous. Strange object like a plate placed above another large, round object.	21-year-old truck driver.	Was motionless over the highway about 200 meters from observer. A similar object, also motionless, was seen 15-20 meters away. Two beings came out of the first vehicle, pointed to observer's truck, then went in again and both UFO's flew away.
27 Mar 74 (11:30 p.m.)	" "	Silver.	" "	Three silver ships parked on the highway with light similar to floodlight. Observer stopped motor of his car and some figures approached him. He ran, frightened, and they followed him. He threw himself into a gutter. His pursuers passed within 2 meters and he saw them. They were about 2 meters tall, had arms and legs but he did not see their faces. After they passed he returned to the truck. The beings returned to observe him again, then they entered their ships and left. Next day the Guardia Civil made an investigation. They found a hole in the ground, which the truck driver said he had not made.
27 Mar 74	Málaga	Big, luminous, moved slowly, pale like a gaseous mass.	Photographer.	Photographed by 25 cm teleobjective lens, published in local paper. Later two more UFO's were discovered when the negative was developed. The UFO sighted disappeared slowly. Fifteen minutes later a small blue-violet mass was visible.

27 Mar 74 (morning)	Córdoba	Not available.	Construction workers.	N/A
28 Mar 74 (daytime)	Córdoba	Luminous.	School children.	Appeared over Córdoba Sierra and disappeared shortly thereafter very rapidly.
31 Mar 74 (early morning)	Vigo (4214N-00843W)	Red.	Group of nurses.	Moving up and down over the Vigo inlet, then UFO disappeared behind mountains of the Morrazo peninsula.
2 Apr 74 (night)	La Unión (3737N-00052W)	Luminous, circular.	Ten persons on night shift at mining company.	Disappeared suddenly after having been seen several seconds.
4 Apr 74 (morning)	La Estrada (4241N-00829W)	Metallic, noiseless, size of a bus, had a reflector in turret. Gray or aluminum in color.	Two 12-year-old girls.	Stopped a few seconds about 10 or 12 meters from the ground and 100 meters from observers, then went out of sight.
11 Apr 74	San Pedro (4322N-00823W)	Oval, had no vapor trail.	Resident of San Pedro.	Was traveling at approximately 4,000 kilometers per hour, in sight for about 8 seconds.
14 Apr 74 (2 a.m.)	Herrera de Alcántara (3938N-00724W)	Rhomboid, formed by luminous, hoary lights. In upper lefthand part there was a pink-yellowish semicircle which became a circle as UFO came near ground level. Student claims he heard a prolonged noise like that from an old alarm clock. Professor estimated size of smaller diagonal of rhomboid to be about 20 meters.	Professor, his wife and a student.	Was observed at ground level from a distance of 300 meters for 5 or 6 minutes, then flew northeast.

16 June 74
(5 a.m.)

Ciceres
(3929N-00622W)

Luminous, emitting
brilliant light on the
highway.

46-year-old farm
laborer.

Was pursued by UFO for several
kilometers at great speed. Saw
three tall figures standing inside
the ship. When observer extinguished
the lights on his car, the object
drew away. Then as he turned them
on again, UFO approached again at
enormous speed some 70 meters over
his car. It followed him home
and when he turned out his car
lights, it slowly flew away.

COMMENTS OF RO: It is of interest to note that in April of this year teams of extra sensory perception specialists held
a meeting in Malaga for the purpose of scientifically studying the UFOs seen in that vicinity. Results of this meeting
unknown.

(Leave Blank)

Translation: Peshawar Dec, 31(Jang Rep) "According to a statement by Mr. Mohammad Riaz, Executive Engineer Pakistan FWD, Warsak, who was in Patan area at about 7 P.M. on Dec 18, a circular light appeared above the V shaped mountain overlooking the approach to Patan. The circle around the light went on expanding. As the circle expanded the light emanating from it became less and less. At first he thought it was a reflection from the moon but the moon was in a different position. He said that the circular light went on expanding for about 15 to 25 minutes. Eight days after the appearance of this light, the area was shaken by the earthquake. At the time he saw the light, those present along with him were; Rasul Khan, Executive Engineer, Captain Tariq, a doctor, Mr. Farooq Khan, an officer of

the Frontier Constabulary".

COMMENT: From a separate source it has been learned that the phenomenon was also seen from Chitral, Pakistan. ARMA has discussed these reports with DATT/ARMA Afghanistan who says that he has not heard of any such reports in Kabul. However, he has jokingly suggested that the phenomenon may simply have been sightings of Santa Claus preparing for Christmas. Despite DAO Kabuls skepticism, we would appreciate an evaluation from DIA.

15. [REDACTED] THIS REPORT FORWARDS INFORMATION CONCERNING THE SIGHTING OF AN UFO IN IRAN ON 19 SEPTEMBER 1976.

A. AT ABOUT 1230 AM ON 19 SEP 76 THE IMPERIAL IRANIAN AIR FORCE (IIAF) COMMAND POST RECEIVED FOUR TELEPHONE CALLS FROM CITIZENS LIVING IN THE SHEMIRAN AREA OF TEHRAN SAYING THAT THEY HAD SEEN STRANGE OBJECTS IN THE SKY. SOME REPORTED A KIND OF BIRD-LIKE OBJECT WHILE OTHERS REPORTED A HELICOPTER WITH A LIGHT ON. THERE WERE NO HELICOPTERS AIRBORNE AT THAT TIME. THE COMMAND POST CALLED BG YOUSEFI, ASSISTANT DEPUTY COMMANDER OF OPERATIONS. AFTER HE TOLD THE CITIZEN IT WAS ONLY STARS AND HAD TALKED TO MEHRABAD TOWER HE DECIDED TO LOOK FOR HIMSELF. HE NOTICED AN OBJECT IN THE SKY SIMILAR TO A STAR BIGGER AND BRIGHTER. HE DECIDED TO SCRAMBLE AN F-4 FROM SHAHROKHI AFB TO INVESTIGATE.

B. AT 0130 HRS ON THE 19TH THE F-4 TOOK OFF AND PROCEEDED TO A POINT ABOUT 40 NM NORTH OF TEHRAN. DUE TO ITS BRILLIANCE THE OBJECT WAS EASILY VISIBLE FROM 70 MILES AWAY. AS THE F-4 APPROACHED A RANGE OF 25 NM HE LOST ALL INSTRUMENTATION AND COMMUNICATIONS (UHF AND INTERCOM). HE BROKE OFF THE INTERCEPT AND HEADED BACK TO SHAHROKHI. WHEN THE F-4 TURNED AWAY FROM THE OBJECT AND APPARENTLY WAS NO LONGER A THREAT TO IT THE AIRCRAFT REGAINED ALL INSTRUMENTATION AND COMMUNICATIONS. AT 0140 HRS A SECOND F-4 WAS LAUNCHED. THE BACKSEATER ACQUIRED A RADAR LOCK ON AT 27 NM, 12 O'CLOCK HIGH POSITION WITH THE VC (RATE OF CLOSURE) AT 150 NM/PH. AS THE RANGE DECREASED TO 25 NM THE OBJECT MOVED AWAY AT A SPEED THAT WAS VISIBLE ON THE RADAR SCOPE AND STAYED AT 25NM.

C. THE SIZE OF THE RADAR RETURN WAS COMPARABLE TO THAT OF A 767 TANKER. THE VISUAL SIZE OF THE OBJECT WAS DIFFICULT TO DISCERN BECAUSE OF ITS INTENSE BRILLIANCE. THE LIGHT THAT IT GAVE OFF WAS THAT OF FLASHING STROBE LIGHTS ARRANGED IN A RECTANGULAR PATTERN AND ALTERNATING BLUE, GREEN, RED AND ORANGE IN COLOR. THE SEQUENCE OF THE LIGHTS WAS SO FAST THAT ALL THE COLORS COULD BE SEEN AT ONCE. THE OBJECT AND THE PURSUING F-4 CONTINUED ON A COURSE TO THE SOUTH OF TEHRAN WHEN ANOTHER BRIGHTLY LIGHTED OBJECT, ESTIMATED TO BE ONE HALF TO ONE THIRD THE APPARENT SIZE OF THE MOON, CAME OUT OF THE ORIGINAL OBJECT. THIS SECOND OBJECT HEADED STRAIGHT TOWARD THE F-4 AT A VERY FAST RATE OF SPEED. THE PILOT ATTEMPTED TO FIRE AN AIM-9 MISSILE AT THE OBJECT BUT AT THAT

PAGE 2

00110101

DEPARTMENT OF DEFENSE

JOINT CHIEFS OF STAFF

MESSAGE CENTER

PAGE 3

12043

INSTANT HIS WEAPONS CONTROL PANEL WENT OFF AND HE LOST ALL COMMUNICATIONS (UHF AND INTERPHONE). AT THIS POINT THE PILOT INITIATED A TURN AND NEGATIVE G DIVE TO GET AWAY, AS HE TURNED THE OBJECT FELL IN TRAIL AT WHAT APPEARED TO BE ABOUT 3-4 NM. AS HE CONTINUED IN HIS TURN AWAY FROM THE PRIMARY OBJECT THE SECOND OBJECT WENT TO THE INSIDE OF HIS TURN THEN RETURNED TO THE PRIMARY OBJECT FOR A PERFECT REJOIN.

D. SHORTLY AFTER THE SECOND OBJECT JOINED UP WITH THE PRIMARY OBJECT ANOTHER OBJECT APPEARED TO COME OUT OF THE OTHER SIDE OF THE PRIMARY OBJECT GOING STRAIGHT DOWN, AT A GREAT RATE OF SPEED. THE F-4 CREW HAD REGAINED COMMUNICATIONS AND THE WEAPONS CONTROL PANEL AND WATCHED THE OBJECT APPROACH THE GROUND ANTICIPATING A LARGE EXPLOSION. THIS OBJECT APPEARED TO COME TO REST GENTLY ON THE EARTH AND CAST A VERY BRIGHT LIGHT OVER AN AREA OF ABOUT 2-3 KILOMETERS.

THE CREW DESCENDED FROM THEIR ALTITUDE OF 26M TO 15M AND CONTINUED TO OBSERVE AND MARK THE OBJECT'S POSITION. THEY HAD SOME DIFFICULTY IN ADJUSTING THEIR NIGHT VISIBILITY FOR LANDING SO AFTER ORBITING MEHRABAD A FEW TIMES THEY WENT OUT FOR A STRAIGHT IN LANDING. THERE WAS A LOT OF INTERFERENCE ON THE UHF AND EACH TIME THEY PASSED THROUGH A MAG, BEARING OF 150 DEGREE FROM MEHRABAD THEY LOST THEIR COMMUNICATIONS (UHF AND INTERPHONE) AND THE INS FLUCTUATED FROM 30 DEGREES - 50 DEGREES. THE ONE CIVIL AIRLINER THAT WAS APPROACHING MEHRABAD DURING THIS SAME TIME EXPERIENCED COMMUNICATIONS FAILURE IN THE SAME VICINITY (KIL0 ZULU) BUT DID NOT REPORT SEEING ANYTHING. WHILE THE F-4 WAS ON A LONG FINAL APPROACH THE CREW NOTICED ANOTHER CYLINDER SHAPED OBJECT (ABOUT THE SIZE OF A T-BIRD AT 10M) WITH BRIGHT STEADY LIGHTS ON EACH END AND A FLASHER IN THE MIDDLE. WHEN QUERIED THE TOWER STATED THERE WAS NO OTHER KNOWN TRAFFIC IN THE AREA. DURING THE TIME THAT THE OBJECT PASSED OVER THE F-4 THE TOWER DID NOT HAVE A VISUAL ON IT BUT PICKED IT UP AFTER THE PILOT TOLD THEM TO LOOK BETWEEN THE MOUNTAINS AND THE REFINERY.

E. DURING DAYLIGHT THE F-4 CREW WAS TAKEN OUT TO THE AREA IN A HELICOPTER WHERE THE OBJECT APPARENTLY HAD LANDED. NOTHING WAS NOTICED AT THE SPOT WHERE THEY THOUGHT THE OBJECT LANDED (A DRY LAKE BED) BUT AS THEY CIRCLED OFF TO THE WEST OF THE AREA THEY PICKED UP A VERY NOTICEABLE BEEPER SIGNAL. AT THE POINT WHERE THE RETURN WAS THE LOUDEST WAS A SMALL HOUSE WITH A GARDEN. THEY LANDED AND ASKED THE PEOPLE WITHIN IF THEY HAD NOTICED ANYTHING STRANGE LAST NIGHT. THE PEOPLE TALKED ABOUT A LOUD NOISE AND A VERY BRIGHT LIGHT.

14. SOURCE: "THE GLOBE AND MAIL," TORONTO NEWSPAPER

15. SPECIAL INSTRUCTIONS: NONE. DIRD: NO

16. SUMMARY: THE FOLLOWING NEWSPAPER ARTICLE IS QUOTED IN FULL IN ORDER TO PROVIDE AS MUCH DETAIL AS POSSIBLE TO INVESTIGATORS AT THE NAVAL RESEARCH LABORATORY COLLECTING DATA ON THIS TYPE OF PHENOMENA:

"ST. JOHN'S--BELL ISLANDERS ARE STILL TRYING TO FIGURE OUT WHAT HIT THEIR COMMUNITY OFF THE EAST COAST OF NEWFOUNDLAND YESTERDAY, TEARING APART HOUSES, CUTTING OFF POWER, POPPING LIGHT SWITCHES AND LEAVING THREE MYSTERIOUS HOLES BURNED IN THE GROUND.

"IT WAS FIRST DESCRIBED AS AN UNIDENTIFIED ATMOSPHERIC EXPLOSION AND SOUNDED SIMILAR TO THE SONIC BOOMS THAT HAVE BEEN HEARD IN RECENT MONTHS ALONG THE COAST OF NOVA SCOTIA AND NEW ENGLAND.

"AS IN THOSE INCIDENTS, THE SUPERSONIC CONCORDE AIRLINER WAS FIRST SUGGESTED AS AN EXPLANATION. THAT THEORY HAS BEEN QUICKLY DISMISSED.

"ONE DIFFERENCE BETWEEN THE NEWFOUNDLAND PHENOMENON AND THE NOVA SCOTIA BOOMS IS THAT YESTERDAY'S BLAST WAS CENTRED OVER A POPULATED AREA. LANCE COVE, A SMALL COMMUNITY ON BELL ISLAND IN CONCEPTION BAY, WAS THE CENTRE OF THE ENERGY BURST AND WITH THIS INCIDENT THE SOUND WAS THE LEAST SPECTACULAR OF THE EFFECTS.

"A HOUSE WAS TORN UP AS IF IT HAD BEEN HIT BY LIGHTNING, BUT THERE WERE NO BURN MARKS ANYWHERE. A TELEVISION SET EXPLODED, OUTLETS EXPLODED IN THE WALL.

"I CAN'T TELL YOU WHAT HAPPENED," MR. BECKFORD SAID. "I HEARD A RACKET, THAT'S ALL I CAN CALL IT, A RACKET. THIS THING BROKE OVER THE HOUSE. I'VE WORKED IN THE MINES AND WE HAVE SHOT 300 PLUGS OF POWDER AT ONE TIME, AND THERE WAS NEVER A RACKET LIKE THAT."

"HIS DAUGHTER CYNTHIA SAID LIGHT SWITCHES BLEW OUT OF THE WALL AND "WHATEVER IT WAS PASSED RIGHT THROUGH THE HOUSE AND DOWN TO THE BARN. THE SKY LIT RIGHT UP. AND YOU COULD SEE SMOKE IN THE WOODS."

"IN THE WOODS BEHIND MR. BECKFORD'S BARN THERE ARE THREE HOLES IN THE SNOW. THEY'RE CIRCULAR HOLES ABOUT ONE AND ONE-HALF FEET DEEP AND THEY FORM A TRIANGLE.

"THEY WEREN'T THERE BEFORE. THAT THING MADE THEM," HE SAID.

"CAROL O'BRIEN SAID SHE HAS SEEN "SOME BEAUTIFUL SUNSETS BUT NOTHING LIKE THAT LIGHT." MISS O'BRIEN SAID SHE HEARD THREE BLASTS AND THAT THE GROUND SHOOK WITH EACH BLAST. AS IN ALL THE OTHER HOUSES ON BELL ISLAND THE POWER IN HER HOUSE WENT OUT JUST BEFORE THE FIRST EXPLOSION.

"THE YOUNG FELLOW HAD THE PHONE IN HIS HAND AND THE RECEIVER JUST DROPPED OUT OF HIS HAND," SHE SAID. "SPARKS CAME OUT OF THE OVEN. IT CAME RIGHT THROUGH THE GLASS." AS WITH MOST PEOPLE SHE INSISTS THE NOISE WAS NOT ORDINARY THUNDER.

"THE RCMP SAID PEOPLE ON THE MAINLAND SHORE OF CONCEPTION BAY REPORTED SEEING FIREBALLS COMING DOWN OUT OF THE SKY AND HITTING BELL ISLAND. BARBARA MCKIM OF CHAMBERLAINS,

FOUR MILES FROM BELL ISLAND ACROSS OPEN WATER, SAID THERE WERE "STREAKS OF SUPER BRIGHT SILVERY WHITE LIGHT."

"THE AUTHORITIES ARE ATTEMPTING TO PLAY DOWN THE INCIDENT. THEIR OFFICIAL VERSION OF WHAT HAPPENED IS THAT LIGHTNING HIT A TRANSFORMER ON BELL ISLAND, BLEW UP AND THE ENERGY THEN FOLLOWED THE WIRES TO NEIGHBORING HOUSES.

"BUT THE EXPLOSION WAS HEARD FROM WESTERN BAY, ON THE NORTH SHORE OF CONCEPTION BAY, SOUTH AS FAR AS CAPE BRODYALE, A DISTANCE OF MORE THAN 100 KILOMETRES."

COMMENT: THIS IS THE SECOND EVENT OF BOOMS OFF THE EAST

MESSAGE CENTER

PAGE 2

UNCLASSIFIED

55280

COAST IN THE PAST TWO MONTHS. ABOUT SIX WEEKS AGO, A BOOM WAS REPORTED OCCURRING OVER THE VICINITY OF BARRINGTON, NOVA SCOTIA. A CORRELATION OF THIS EVENT TO THE FLIGHT SCHEDULE OF THE CONCORDE, WHICH FLIES IN ITS NORMAL TRANSIT JUST OFF THE SOUTHERN TIP OF NOVA SCOTIA, WAS MADE BY THE MINISTRY OF TRANSPORTATION (MOT). THERE WAS SOME CORRELATION AS TO TIME, BUT THE RESULTS WERE NOT CONCLUSIVE. MOT IS CONTINUING THEIR INVESTIGATION. THE ATMOSPHERIC AND ENVIRONMENTAL SERVICE IS SEEKING ADDITIONAL INFORMATION ON THE BELLE ISLE EVENT, INCLUDING MORE DETAILED WEATHER INFORMATION. IT HAS BEEN CONFIRMED THAT THERE WAS NO THUNDERSTORM ACTIVITY IN THAT AREA AT THE TIME BUT THAT IT WAS SNOWING. THE IMPRESSIONS OR HOLES IN THE GROUND HAVE BEEN CONFIRMED TO BE TWO FEET IN DIAMETER AND ABOUT TWO FEET DEEP. SOME TREES WERE SCORCHED IN THIS VICINITY. THERE IS SOME THOUGHT BEING GIVEN TO THE POSSIBILITY OF A METEORITE ENTRY. ONE SOURCE EXPLAINS "THAT THESE EXPLOSIONS ARE CAUSED BY THE VOLATILITY OF THE AIR ITSELF WITH WHICH THERE IS ASSOCIATED AN ELECTRICAL PHENOMENON. IT IS NOT PRECIPITATED BY ATOMIC EXPLOSIONS OR FLYING SAUCERS BUT MAY BE CATALYZED BY HIGH PERFORMANCE AIRCRAFT."

13. APPROVING AUTH: THOMAS E. SCHAEFER, COL, USAF, DATT

14. SOURCE: TEHRAN JOURNAL NEWSPAPER

15. SPECIAL INSTRUCTIONS: DIRC. NO.

16. SUMMARY: THIS REPORT FORWARDS INFORMATION WHICH WAS OBTAINED FROM THE IRANIAN ENGLISH LANGUAGE NEWSPAPER, THE TEHRAN JOURNAL, DATED 18 JULY 1978 AND PROVIDES INFORMATION CONCERNING THE SIGHTING OF AN UFO OVER THE NORTHERN SECTOR OF TEHRAN.

17. THRU 21. OMITTED.

22. DETAILS: THE FOLLOWING INFORMATION IS QUOTED FROM THE 18 JULY 1978 EDITION OF THE TEHRAN JOURNAL NEWSPAPER:

"UFO SPOTTED OVER NORTH OF TEHRAN"

"TEHRAN-AN UNIDENTIFIED FLYING OBJECT WAS SEEN BY A NUMBER OF PEOPLE IN THE NORTHERN PART OF THE CITY ON SUNDAY NIGHT.

OFFICIALS FROM THE CONTROL TOWER AT MEHRABAD AIRPORT AND A LUFTHANZA AIRCREW ALSO REPORTED UNUSUAL READINGS ON THEIR INSTRUMENTS.

RESIDENTS IN NORTHERN TEHRAN WERE THE FIRST TO SPOT THE STRANGE GLOWING OBJECT FLOATING TOWARDS SAHVAH. THEY HAD BEEN SLEEPING ON THE TERRACES OF THEIR HOUSES, AND IMMEDIATELY INFORMED THE CONTROL TOWER AT MEHRABAD AIRPORT AND THE NATIONAL RADIO NETWORK.

THE CONTROL TOWER CONFIRMED THE EXISTANCE OF THE OBJECT BUT WOULD GIVE NO FURTHER DETAILS. SOON AFTERWARDS, THE LUFTHANZA PLANE SENT IN ITS REPORT.

A SIMILAR FLYING OBJECT WAS SEEN LAST APRIL BY LOCAL AIRLINE PILOT, WHO CLAIMED THAT HE HAD PHOTOGRAPHED THE OBJECT, BUT COULD NOT RELEASE THE PHOTOGRAPHS UNTIL THE SECURITY DIVISION OF THE CIVIL AVIATION AUTHORITIES GAVE THEIR PERMISSION.

HE CLAIMED THAT WHILE FLYING BETWEEN AHVAZ AND TEHRAN AT 24,000 FEET, HE AND HIS CO-PILOT HAD SIGHTED A GLITTERING OBJECT AND HAD MANAGED TO PHOTOGRAPH IT.

A MEHRABAD RADAR CONTROL OFFICIAL SAID THAT ON THAT OCCASION THEY HAD DETECTED AN OBJECT SOME 20 TIMES THE SIZE OF A JUMBO JET ON THEIR SCREENS.

CIVIL AVIATION ORGANIZATION CHIEF HAJ MONIRI CALLED FOR AN INVESTIGATION, BUT THE RESULTS OF THIS ENQUIRY HAVE NOT YET BEEN MADE PUBLIC.

AN EYE WITNESS SAID YESTERDAY THAT HE WAS ALONE ON HIS BALCONY ON SUNDAY NIGHT WHEN SUDDENLY HE SAW THE OBJECT EMERGE IN THE SKY AND HOVER DIRECTLY ABOVE HIM.

I WAS SO UPSET THAT I WANTED TO SCREAM, BUT COULD NOT DO SO, HE SAID. HE ADDED THAT HE FELT BETTER ONCE HE REALIZED THAT HIS NEIGHBORS HAD ALSO SEEN IT.

THIS CURRENT REPORT IS THE THIRD UFO SIGHTING IN IRAN IN LESS THAN A YEAR. ORIGINATOR COMMENTS: PREVIOUS REPORTS ON UFO SIGHTINGS IN IRAN HAVE

15. (U) SPECIAL INSTRUCTIONS: PROTECTIVE CAVEAT USED
DUE TO SENSITIVITY OF INFO. DIRC: NO

16. SUMMARY: A REPORT HAS BEEN RECEIVED WITHIN
THE EMBASSY AND REPORTED IN THE SANTA CRUZ NEWSPAPER OF
AN UNIDENTIFIED OBJECT HAVING BEEN FOUND ON A FARM NEAR
SANTA CRUZ.

ITEM 22. A. ON LATE AFTERNOON OF 790816
THE EMBASSY HERE RECEIVED INFORMATION THAT A STRANGE
OBJECT HAD BEEN FOUND ON A FARM NEAR SANTA CRUZ, BOLIVIA.
SOURCE STATED THAT THE OBJECT WAS ABOUT 70 CENTIMETERS
IN DIAMETER AND TWO METERS IN CIRCUMFERENCE WITH A HOLE IN
ONE SIDE AND A METAL SKIN COVERING OF APPROX ONE-HALF
INCH THICKNESS. LATER THE OBJECT WAS DESCRIBED AS "ABOUT
THREE TIMES THE SIZE OF A BASKETBALL". SOURCE STATED THAT
HE HAD FILM OF THIS OBJECT WHICH HE GAVE TO AN EMBASSY
OFFICIAL ON 790817.

B. ON THE MORNING OF 790817, THE SANTA CRUZ
NEWSPAPER "EL DEBER" PUBLISHED A FRONT PAGE ARTICLE ON

PAGE 3 OF 4 PAGES

THIS INCIDENT. AN UNOFFICIAL TRANSLATION OF THE ARTICLE FOLLOWS: QUOTE - PART OF WHAT COULD BE A SATELLITE FELL NEAR COTOCA. A PHENOMENON THAT COULD FOCUS THE ATTENTION OF THE WORLD ON BOLIVIA OCCURRED IN OUR CAPITAL WHEN A SPHERE WAS DISCOVERED THAT FELL APPROXIMATELY SIX DAYS AGO ON A FARM LOCATED 15KM FROM COTOCA.

ACCORDING TO INFORMATION RECEIVED BY THIS NEWSPAPER FROM THE DIRECTOR OF THE AIR FORCE ACADEMY, COL ARIEL COCA, THE SPHERE IS MADE OF SPECIAL LIGHT ALLOY BUT VERY RESISTANT, POSSIBLY A FUEL TANK OR A PART OF A SATELLITE! THE OBJECT DOES NOT HAVE ANY SIGNS OR MARKS THAT COULD IDENTIFY ITS ORIGIN NOR THE COUNTRY TO WHICH IT BELONGS.

COL COCA SAID THAT HE WILL INFORM HIS SUPERIORS OF THIS PHENOMENON SO THAT A STUDY CAN BE MADE TO DETERMINE ITS ORIGIN AND TO BE ANALYZED IN CASE IT CONTAINS RADIOACTIVE SUBSTANCE. THE PEOPLE WHO LIVE IN THE AREA WHERE THIS BALL OF FIRE (AS THEY CALLED IT) FELL, DELAYED IN TELLING THE AUTHORITIES ABOUT THE EVENT BECAUSE THEY WERE AFRAID THAT NO ONE WOULD LISTEN. - UNQUOTE.

C. AN ACCOMPANYING PICTURE IN THE NEWSPAPER SHOWS COL COCA, COMMANDER OF THE BOLIVIAN AIR FORCE ACADEMY, EXAMINING A ROUND OBJECT WHICH REACHES ABOVE HIS KNEES AND APPEARS TO BE PERFECTLY ROUND EXCEPT FOR A HOLE (MISSING PORTION OF OUTER SKIN) WHICH IS ABOUT NINE INCHES IN DIAMETER.

PAGE 4 OF PAGES

NO COMMENTS: WE HAVE MADE NO INQUIRIES NOR
REQUESTS FOR INFORMATION OTHER THAN TO GET THE
UNDEVELOPED FILM DISCUSSED EARLIER. WE RECEIVED FROM SOURCE .S
A ROLL OF 135MM FILM FOR COLOR PRINTS AND A ROLL OF
KODACHROME 40 MOVIE FILM, TYPE A. THE 135MM FILM
WILL BE DEVELOPED AND PRINTED HERE IN LA PAZ. THE MOVIE
FILM AND A COPY OF THE NEWSPAPER STORY WITH ACCOMPANYING
PHOTOGRAPH WILL BE FORWARDED BY POUCH ON 790820 TO DIA
DT-3. THE COORDINATES FOR THE TOWN OF COTOCA ARE
17-49S, 63-03W. REFERENCE NEWSPAPER ARTICLE TO
"OUR CAPITAL" - THIS REFERS TO SANTA CRUZ AS THAT TOWN IS
THE CAPITAL OF THE DEPARTMENT (STATE) OF SANTA CRUZ?

10. (U) ORIGINATOR: USDAO LA PAZ, DATT/AIRA
11. (U) REQUEST EVALUATION: NO
12. (U) PREPARING OFFICER: HAROLD T HAMILTON, COL, USAF
13. (U) APPROVING AUTHORITY: HAROLD T HAMILTON, COL, USAF
14. (U) SOURCE: NEWS MEDIA
15. (U) SPECIAL INSTRUCTIONS: PROTECTIVE CAVEAT USED DUE TO SENSITIVITY OF INFO. DIRC: NO
16. (U) THE LA PAZ DAILY NEWSPAPER "EL DIARIO" OF 790819 REPORTED THAT A SECOND UNIDENTIFIED OBJECT HAD BEEN FOUND NEAR SANTA CRUZ.

ITEM 22: DETAILS: ONE OF THE LEADING DAILY NEWSPAPERS OF LA PAZ, "EL DIARIO", CARRIED A FRONT PAGE STORY ON 790819 STATING THAT A SECOND UNIDENTIFIED OBJECT VERY SIMILAR TO THE FIRST ONE REPORTED, HAD BEEN FOUND IN SANTA CRUZ DEPARTMENT. (SEE JR-6 808 0057 79 REGARDING FIRST OBJECT REPORTED.) THE HEADLINE OF THIS STORY STATES QUOTE: NEW SPHERE FELL FROM SPACE IN SANTA CRUZ - UNQUOTE. AN UNOFFICIAL TRANSLATION OF THE ARTICLE FOLLOWS. QUOTE: A SECOND FIRE BALL FELL FROM THE SKY EARLY IN THE MORNING OF THE SAME DAY THAT THE FIRST ONE WAS FOUND NEAR COTOCA. THIS SECOND ONE WAS FOUND 200 KILOMETERS NORTH OF THE CITY OF SANTA CRUZ ON THE FARM OF JUAN SAAVEDRA BY THE CAMPESINO GONZALO MENACHO VIVERAS. THE PLACE IS IN THE AREA OF BUEN RETIRO NEAR THE YAPACANE RIVER. ACCORDING TO THE INFORMATION GIVEN BY THE CAMPESINO, AROUND 12:30 AM ON FRIDAY LAST WEEK HE HEARD A LOUD WHISTLING SOUND AND SAW A FIRE BALL FOLLOWED BY AN EXPLOSION. HE SAID THAT THE NEXT EVENING A SILENT AIRCRAFT THAT HAD THREE LIGHTS WAS FLYING OVER THE EXPLOSION AREA.

AFTER DAWN ON FRIDAY MORNING THE CAMPESINO STARTED LOOKING AROUND THE AREA OF THE IMPACT AND FOUND A SPHERE. AS IT WAS NOT HEAVY, HE TOOK IT HOME WHERE HE KEPT IT UNTIL HIS FRIEND NATANIEL MENDEZ HURTADO LEARNED OF THE OTHER SPHERE IN COTOCA AND PASSED ON INFORMATION CONCERNING THIS SECOND SPHERE.

THE MYSTERY OF FINDING THESE TWO SPHERES, EXACTLY ALIKE, IS THAT ACCORDING TO THE WITNESSES THEY WERE FIRE BALLS. THAT IS TO SAY THAT THESE SPHERES BECAME REAL BALLS OF FIRE WHEN THEY ENTERED THE ATMOSPHERE BECAUSE OF THE FRICTION AND AFTER A HIGH SPEED FALL THEY HIT THE GROUND. HOWEVER, IN THE AREA WHERE THEY'VE BEEN FOUND, THERE WERE NO SIGNS OF THE IMPACT AND LOOKS

PAGE 2

00191011

DEPARTMENT OF DEFENSE

JOINT CHIEFS OF STAFF
MESSAGE CENTER

63797

PAGE 3

AS THOUGH THE SPHERES LANDED SMOOTHLY. THE MATERIAL OF THE SPHERES IS KIND OF FRAGIL, BUT THEY ARE NOT DAMAGED (BY IMPACT) AND IN BOTH CASES THEY ONLY SHOW A HOLE (IN OUTER SKIN) WITH MELTED EDGES AND AN EXPLOSION (APPARENTLY) DESTROYED THE CONTENTS OF THE INTERIOR.

GONZALO MENACHO SAID THAT WHERE HE FOUND THE SPHERE HE SAW SOME BURNED PLANTS BUT HE DID NOT SEE ANY SIGN OF THE IMPACT ON THE SOFT GROUND. THE SPHERE FOUND IN THE NORTH OF THE SANTA CRUZ DEPARTMENT WEIGHS ABOUT SIX KILOGRAMS WITH A DIAMETER OF ABOUT 80 CENTIMETERS. THE OUTSIDE METAL IS SIMILAR TO COPPER, IS KIND OF DARK WITH LIGHT SPOTS, AND HAS APPARENTLY BEEN EXPOSED TO VERY HIGH TEMPERATURES.

THE SPHERE IS MADE BY TWO PIECES PUT TOGETHER WITHOUT ANY RIVETS. ON THE TOP OF THE SPHERE YOU CAN SEE A HOLE OF IRREGULAR SHAPE AND NEXT TO IT ANOTHER SMALL ROUND HOLE. IN BOTH, THE MATERIAL IS MELTED. AT THE OTHER END OF THE SPHERE THERE IS A ROUND AREA THAT LOOKS LIKE A CORK IN A BOTTLE HELD IN PLACE BY THREE SEMI-MELTED SCREWS.

THE SPHERE WAS BROUGHT TO THE CITY OF SANTA CRUZ BY NEWSMEN FROM A LOCAL RADIO STATION WHO INFORMED THIS NEWSPAPER OF THE DETAILS. THE CAMPESINO WHO FOUND THIS SPHERE CLAIMS IT AS HIS PROPERTY. THE SPHERE WAS ON PUBLIC DISPLAY ALL AFTERNOON AT THE RADIO STATION. UNQUOTE.

NO COMMENT: / A PICTURE ACCOMPANYING THE ABOVE ARTICLE SHOWS THIS SECOND UNIDENTIFIED SPHERE TO BE PRACTICALLY IDENTICAL IN APPEARANCE TO THE FIRST ONE. A COPY OF THIS ARTICLE AND PICTURE WERE FORWARDED TO DIA/DT-3 BY STATE DEPT POUCH ON 790820. ALSO INCLUDED IN THE POUCH WERE THE FOLLOWING RELATING TO THE FIRST SPHERE: (1) 35MM COLOR PHOTOGRAPHS; (2) AN UNDEVELOPED ROLL OF HOME MOVIE FILM; AND (3) A COPY OF THE NEWSPAPER STORY. REQUEST DIA ADVISE IF FURTHER REPORTING/ACTION IS DESIRED ON THESE INCIDENTS. ALSO, IF THE MOVIE FILM IS DEVELOPED, REQUEST ONE COPY BE FORWARDED TO USDAO LA PAZ FOR TRANSMITTAL TO ORIGINAL OWNER.

8A. DETAILS: SOURCE TOLD RO ABOUT THE SPOTTING OF AN UNIDENTIFIED FLYING OBJECT IN THE VICINITY OF MARIANO MELGAR AIR BASE, LA JOYA, PERU (168059, 0715306W). SOURCE STATED THAT THE VEHICLE WAS SPOTTED ON TWO DIFFERENT OCCASIONS. THE FIRST WAS DURING THE MORNING HOURS OF 9 MAY 80, AND THE SECOND DURING THE EARLY EVENING HOURS OF 10 MAY 80.

SOURCE STATED THAT ON 9 MAY, WHILE A GROUP OF FAP OFFICERS WERE IN FORMATION AT MARIANO MALGAR, THEY SPOTTED A UFO THAT WAS ROUND IN SHAPE, HOVERING NEAR THE AIRFIELD. THE AIR COMMANDER SCRAMBLED AN SU-22 AIRCRAFT TO MAKE AN INTERCEPT. THE PILOT, ACCORDING TO A THIRD PARTY, INTERCEPTED THE VEHICLE AND FIRED UPON IT AT VERY CLOSE RANGE WITHOUT CAUSING ANY APPARENT DAMAGE. THE PILOT TRIED TO MAKE A SECOND PASS ON THE VEHICLE, BUT THE UFO OUT-RAN THE SU-22.

THE SECOND SIGHTING WAS DURING HOURS OF DARKNESS. THE VEHICLE WAS LIGHTED. AGAIN AN SU-22 WAS SCRAMBLED, BUT THE VEHICLE OUT-RAN THE AIRCRAFT.

8B. ORIG CMTS: RO HAS HEARD DISCUSSION ABOUT THE SIGHTING FROM OTHER SOURCES. APPARENTLY SOME VEHICLE WAS SPOTTED, BUT ITS ORIGIN REMAINS UNKNOWN.

Attachment
Serial 001 8 1955

1. During a trip made by the Army Attache to Faizabad on 21-23 September, Brigadier General Abdul Latif Khan, Commander of the 24th Infantry (Faizabad) Brigade Group on 22 September described reports received by him from gendarme troops in the Wakhan Corridor of a "flying object" observed about 12 August 1955 flying south of but near the Soviet-Afghan border from west to east. The "object" was allegedly observed by natives in the vicinity of ISHKASHIM (71°35'E, 36°40'N) and Qala Panja (72°35'E, 37°00'N) and by other natives in unidentified villages between these points. General Latif stated that "more than one-thousand" tribesmen and villagers have reported having observed this object.

2. The "object" was described by natives who saw it as being a bottle-shaped cylinder about four meters long by one and one-half to two meters wide at the base and with a flare at the top about one and one-half meters long. A black band is alleged to have been painted around the center of the cylinder, the bottom half of the cylinder was blue and the top half was variously reported as being red or yellow. General Latif drew a sketch of the "object" as reported and it is enclosed with this report.

3. The "object" was reported to be travelling at a "fast" rate of speed from four to five kilometers high and with a "hissing sound". Only one such object was allegedly seen. The General had no other details but is attempting to gather additional information.

4. On 21 September, the Army Attache talked to a retired Afghan Army Officer who had just returned from a trip across country to SHIVA LAKE (71°15'E, 37°20'N) thence north to CHAK MUD (71°30'E, 37°45'N) and return. (See our KC-55-55). This officer reported hearing reports from natives in the vicinity of QALA BAK PANJA (71°30'E, 37°33'N) of a "flying object" observed flying east in early September. The natives could describe the object only as being "round with a flame on top" and could provide no other details.

COMMENT:

1. Most Afghans, especially tribesmen and villagers, have a very poor sense of distance and measurements and estimates in this report are probably highly inaccurate.

2. It is the Army Attache's opinion that the retired Army Officer referred to in our KC-55-55 will probably attempt to gain additional information on his trip through the Wakhan Corridor concerning these "flying objects" reports. He will be questioned on his return concerning such information.

REQS: (U) INITIATIVE

SOURCE: (U) VARIOUS BAF SOURCES/OPEN SOURCES

SUMMARY: (U) NUMEROUS UNIDENTIFIED OBJECTS WERE
SIGHTED IN THE SKIES OVER BRAZIL, BUT BAF FIGHTERS
WERE UNABLE TO INTERCEPT THEM.

TEXT: 1. [REDACTED] ACCORDING TO SOURCES, AT
LEAST 20 UNIDENTIFIED OBJECTS WERE OBSERVED BY
SEVERAL AIRCREWS AND ON RADAR THE NIGHT OF
19 MAY 86. THE OBJECTS WERE FIRST SEEN BY THE
PILOT OF A XINGU AIRCRAFT, TRANSPORTING OZIERES
STILVA, FORMER PRESIDENT OF EMBRAER, BETWEEN SAO
PAULO AND RIO DE JANEIRO. FIGHTERS WERE LAUNCHED
FROM SANTA CRUZ AB [REDACTED] AT APPROXIMATELY
2100 HOURS. ALTHOUGH ALL THREE MADE RADAR CONTACT,
ONLY ONE OF THE THREE PILOTS MANAGED TO SEE WHAT HE
DESCRIBED AS RED, WHITE AND GREEN LIGHTS. SHORTLY
AFTERWARD, RADAR CONTACT WAS MADE WITH SIMILAR
OBJECTS NEAR BRASILIA AND THREE MIRAGES WERE
LAUNCHED FROM ANAPOLIS AB [REDACTED] ALL MADE
RADAR AND VISUAL CONTACT AT 20,000 FEET. THEY
REPORTED THAT THEY WERE ESCORTED BY THIRTEEN OF
THESE DISKS WITH RED, GREEN, AND WHITE LIGHTS AT A
DISTANCE OF ONE TO THREE MILES. THE OBJECTS THEN
RAPIDLY DISAPPEARED FROM BOTH GROUND AND AIRBORNE
RADARS.

2. [REDACTED] THE AIR MINISTER IS QUOTED BY
THE PRESS AS SAYING THERE WERE THREE GROUPS OF
TARGETS ON THE GROUND RADAR AND THAT THE SCOPES
OF THE AIRBORNE RADARS WERE SATURATED.

COMMENT: [REDACTED] WHILE RO DOES NOT BELIEVE
IN UFO'S OR ALL THE MOOPLA THAT SURROUNDS PREVIOUS
REPORTING, THERE IS TOO MUCH HERE TO BE IGNORED.
THREE VISUAL SIGHTINGS AND POSITIVE RADAR CONTACT

SECTION 02 OF 02 05049

SERIAL: (U) IIR 6 807 0136 90.

BODY

COUNTRY: (U) BELGIUM (BE).

SUBJ: IIR 6 807 0136 90/BELGIUM AND THE UFO ISSUE (U)

MAR TV SHOW.

6. (U) DEBROUWER NOTED THE LARGE NUMBER OF REPORTED SIGHTINGS, PARTICULARLY IN NOV 89 IN THE LIEGE AREA AND THAT THE BAF AND MOD ARE TAKING THE ISSUE SERIOUSLY. BAF EXPERTS HAVE NOT BEEN ABLE TO EXPLAIN THE PHENOMENA EITHER.

7. (U) DEBROUWER SPECIFICALLY ADDRESSED THE POSSIBILITY OF THE OBJECTS BEING USAF B-2 OR F-117 STEALTH AIRCRAFT WHICH WOULD NOT APPEAR ON BELGIAN RADAR, BUT MIGHT BE SIGHTED VISUALLY IF THEY WERE OPERATING AT LOW ALTITUDE IN THE ARDENNES AREA. HE MADE IT QUITE CLEAR THAT NO USAF OVERFLIGHT REQUESTS HAD EVER BEEN RECEIVED FOR THIS TYPE MISSION AND THAT THE ALLEDGED OBSERVATIONS DID NOT CORRESPOND IN ANY WAY TO THE OBSERVABLE CHARACTERISTICS OF EITHER U.S. AIRCRAFT.

8. (U) MR BRENIG HAS SINCE ASSURED THE COMMUNITY THAT HE IS PERSONALLY ORGANIZING A NEW UFO OBSERVATION CAMPAIGN AND SPECIFICALLY REQUESTS THE HELP OF THE BELGIAN MOD.

9. [REDACTED] RELATED A SIMILAR UFO SIGHTING WHICH APPARENTLY HAPPENED TO A BELGIAN AIR FORCE OFFICER IN THE SAME AREA NEAR LIEGE DURING NOVEMBER 89. THE OFFICER AND HIS WIFE WERE ALLEDGEDLY BLINDED BY A HUGE BRIGHT FLYING OBJECT AS THEY WERE DRIVING ON THE AUTOROUTE. THEY STOPPED THEIR CAR, BUT WERE SO FRIGHTENED THEY ABANDONED THE VEHICLE AND RAN INTO THE WOODS. THEY COULD NOT PROVIDE A DETAILED DESCRIPTION BUT WHATEVER IT WAS DEFINITELY APPEARED REAL TO THEM. [REDACTED] UNDERLINED THEIR CREDIBILITY AS SOLID.

COMMENTS: 1. [REDACTED] COMMENT. HE COULD PROVIDE VERY LITTLE CONCRETE INFORMAITON EXCEPT TO VERIFY THE LARGE VOLUME OF SIGHTINGS AND THE SIMILARITY OF SOME DURING NOV 89.

2. [REDACTED] THE BAF HAS RULED SOME SIGHTINGS WERE CAUSED BY INVERSION LAYERS, LAZER BEAMS AND OTHER FORMS OF HIGH INTENSITY LIGHTING HITTING CLOUDS. BUT A REMARKABLE NUMBER OCCURRED ON CLEAR NIGHTS WITH NO OTHER EXPLAINABLE ACTIVITY NEARBY.

3. [REDACTED] THE BAF IS CONCERNED TO A POINT ABOUT THE UFO ISSUE AND IS TAKING ACTION TO INVESTIGATE INFORMATION THEY HAVE. [REDACTED] DOES ADMIT, HOWEVER, THAT HE IS NOT OPTIMISTIC ABOUT RESOLVING THE PROBLEM.

4. [REDACTED] FIELD COMMENT. THE USAF DID CONFIRM TO THE BAF AND BELGIAN MOD THAT NO USAF STEALTH AIRCRAFT WERE OPERATING IN THE ARDENNES AREA DURING THE PERIODS IN

QUESTION. THIS WAS RELEASED TO THE BELGIAN PRESS AND
RECEIVED WIDE DISSEMINATION.

JOINT STATE DIA MESSAGE

DIA FOR DIACO-2 AND DIAST, 1127TH FOR AFNIAAB, FTD FOR TDAMO, CONAD FOR J2, DEPT OF STATE FOR INR AND GPM. SUBJECT: (U) MOON DUST. DATT CALLED BY MINISTER INTERIOR TO INSPECT OBJECT FOUND NEAR LAI (0924N-1618E) ON 1 AUGUST 1970. MINISTER SAID OBJECT FELL IN AREA WITH THREE LOUD EXPLOSIONS AND THEN BURNED FOR FIVE DAYS. DATT INSPECTED OBJECT WHICH IS A METAL SPHERE ABOUT 18 INCHES IN DIAMETER WEIGHING 20-25 POUNDS. THE TWO HALVES OF THE SPHERE ARE WELDED TOGETHER. AT EACH POLE OF SPHERE ARE PORTS WHICH HAVE BEEN MELTED CLOSED. THE SPHERE SHOWS EVIDENCE OF BURNING AND SEVERAL LIGHTER STREAKS RUN THROUGH BURNED AREAS. THE OBJECT RESEMBLES A PRESSURIZED FUEL TANK. DATT WILL BE IN POSSESSION OF THE OBJECT AND CAN FORWARD IF DESIRED PLEASE ADVISE.

(U)

WARNING: (U) THIS IS AN INFORMATION REPORT NOT FINALLY
- EVALUATED INTELLIGENCE

DOI: (U) 870729-870805

REQS: (U) INITIATIVE

SOURCE: (U)

SUMMARY: (U) AN UNIDENTIFIED FLYING OBJECT (UFO) WAS
REPORTED OVER SOUTHEASTERN GHANA LATE IN THE EVENING OF
870727.

TEXT: 1. (U) ACCORDING TO THE 870729 EDITION OF THE "GHANAIAN TIMES" NEWSPAPER, OBSERVERS IN THE VICINITY OF ACCRA AND IN THE VOLTA REGION OF GHANA--AT KPANDU //GEOCOORDS 0700N-018E// AND HOHOE //GEOCOORDS 0709N-028E//--REPORTED SIGHTING A LARGE UFO OVER SOUTH-EASTERN GHANA AND THE GULF OF GUINEA BRIEFLY BETWEEN 2300 AND 2400 HOURS GMT ON 870727. SOME OF THESE REPORTS INDICATED THAT THE UFO WAS SILENT; OTHERS INCLUDED THE SOUND OF "EXPLOSIONS" ASSOCIATED WITH THE SIGHTING.

2. (U) IN PRIVATE CONVERSATIONS DURING 870804-870805, A GHANA AIR FORCE PILOT STATED THAT HE HAD OBSERVED, FROM THE GROUND NEAR ACCRA, A UFO MOVING OVER THE VICINITY BETWEEN 2300 AND 2400 GMT ON 870727. HE GAVE THE FOLLOWING DESCRIPTION OF THE SIGHTING:

- THE UFO FOLLOWED A GENERAL NORTH-TO-SOUTH COURSE AND DISAPPEARED OVER THE HORIZON OF THE GULF OF GUINEA. THE INITIAL IMPRESSION OF THE UFO, AS IT APPROACHED THE VICINITY OF ACCRA FROM THE NORTH, WAS THAT IT MIGHT HAVE BEEN A FALLING METEORITE. VERY QUICKLY, HOWEVER, THE UFO STOPPED FALLING AND STARTED TO CLIMB. AS IT WAS GAINING ALTITUDE OVER ACCRA AND THE OCEAN, DETAILS OF THE UFO COULD BE SEEN QUITE CLEARLY BECAUSE OF ITS OWN LIGHT EMISSIONS AND THE CLEAR EVENING SKY.

- WHEN OBSERVED MOST CLEARLY, THE UFO APPEARED TO BE AT AN ALTITUDE OF ABOUT 15,000 FEET. ITS GENERAL SHAPE WAS SIMILAR TO A VERY LARGE AIRCRAFT FUSELAGE OR MISSILE BODY. ITS COLOR WAS METALLIC, ALUMINUM-LIKE. IT APPEARED TO BE ABOUT TWO OR THREE TIMES THE SIZE OF A BOEING 747 AIRLINER. BUT IT DID NOT SEEM TO BE PRODUCING ANY SOUND.

- AT FIRST, PARTICULARLY WHILE IT WAS DESCENDING, THE UFO DISPLAYED A RELATIVELY LARGE, SINGLE SOURCE OF LIGHT, YELLOWISH IN COLOR, ORIGINATING FROM THE CENTER OF ITS TRAILING END, LIKE A ROCKET. AT ABOUT THE TIME THE UFO STOPPED DESCENDING AND BEGAN TO CLIMB, THIS SINGLE, YELLOWISH LIGHT DISAPPEARED, AND EIGHT SMALLER LIGHTS APPEARED. THESE WERE BLUE IN COLOR AND WERE ARRANGED IN A CIRCULAR CONFIGURATION AROUND THE END OF THE UFO--LIKE RELATIVELY SMALL JETS. THESE EIGHT BLUE "JETS" SEEMED TO BE THE UFO'S SOURCE OF PROPULSION AS IT DISAPPEARED OVER THE HORIZON.

3. (U) THE AIR FORCE PILOT ADDED THAT HE HAD HEARD OF OTHER SIGHTINGS, APPARENTLY OF THE SAME OBJECT, THAT HAD INCLUDED THE SOUND OF "TWO EXPLOSIONS," AND HE SPECULATED

THAT THESE COULD HAVE BEEN SONIC BOOMS. BUT HE WAS APPARENTLY NOT AWARE OF ANY SOUND PRODUCED BY THE UFO AT ANY TIME DURING THE PERIOD OF HIS OBSERVATIONS.

COMMENTS: [REDACTED] THE AIR FORCE OFFICER WHO PROVIDED THE INFO IN TEXT PARAS TWO AND THREE IS A QUALIFIED JET FIGHTER PILOT. HE IS WELL KNOWN TO THE DAO AND OTHERS AS A SERIOUS PROFESSIONAL, NOT GIVEN TO FLIGHTS OF FANCY OR TO ANY DESIRE TO ATTRACT ATTENTION TO HIMSELF. HE SEEMED TO HAVE BEEN EMBARRASSED (AS WELL AS MYSTIFIED) BY THIS UFO SIGHTING AND PROVIDED THE DETAILS RELUCTANTLY, MAINLY BECAUSE THE AIR FORCE COMMANDER HAD ASKED THE DAO TO HELP IDENTIFY THE OBJECT.

15. SUMMARY:	(Leave Blank)
<p>At 23:40 hours, 8 July 65, a "flying saucer" was seen by an estimated 150 people in Colonia. The object was reported to be at 20 to 25 degrees from the horizon and about 3 miles out from the shore. It visibly rotated, changing colors rapidly from white to yellow to orange to green to violet. It remained in sight about 15 minutes, hovering in one place, and then took off to the Southeast at a very rapid velocity.</p> <p>COMMENT: This is only one report of many from this area, of sightings of so-called "flying saucers."</p>

10. (U) ORIGINATOR: USDAO WELLINGTON, NZ

11. (U) REQUEST FOR EVALUO

14. (U) SOURCE: AMEMBASSY SCIENTIFIC ATTACHE

15. (U) DIRC: NO OF SCIENTIFIC

16. SUMMARY: THE NEW ZEALAND DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH HAS ADVISED THE EMBASSY'S SCIENTIFIC ATTACHE OF THE INVESTIGATION OF POSSIBLE FOREIGN SPACE MATERIAL REENTRY. ALTHOUGH THIS STATION IS NOT CURRENTLY ON A MOON DUST ALERT, THIS REPORT IS BEING MADE IAW REF CIR TO INFORM ADDRESSEES THAT POSSIBLE SPACE FRAGMENTS HAVE BEEN LOCATED IN NEW ZEALAND. THE EMBASSY IS REPORTING THE INFORMATION IN ACCORDANCE WITH STATE DEPARTMENT INSTRUCTIONS.

22. THE FOLLOWING IS KEYED TO PARA 12.A OF REF CIR.

12.A.(1) SIGHTINGS:

(A) POSITION OF OBSERVER: ASHBURTON, NEW ZEALAND

(43-548, 171-48E)

(B) TIME OF SIGHTING: APPROXIMATELY 1400 GMT, 781023

(C) UNKNOWN

(D) UNKNOWN

(E) UNKNOWN

(F) UNKNOWN

(G) UNKNOWN

(H) UNKNOWN

(I) UNKNOWN

(J) OTHER DATA ASSOCIATED WITH THE SIGHTING: THERE HAS BEEN ONLY ONE UNCONFIRMED OBSERVATION BY AN ASHBURTON MILKMAN WHO REPORTED A SIGHTING ABOUT 1400 GMT ON A NORTH TO SOUTH TRAJECTORY.

(2) GROUNDED MATERIAL:

(A) LOCATION (44-848 - 171-44E)

(B) CIRCUMSTANCES OF RECOVERY: ON 24 OCT 78, A SPACE FRAGMENT, KNOWN LOCALLY AS A "SPACE BALL", WAS PICKED UP BY FARMER JOHN LOVETT IN HIS Paddock ABOUT 20 KM SOUTH OF ASHBURTON ON NEW ZEALAND'S SOUTH ISLAND. IT WAS TURNED OVER TO THE NEW ZEALAND POLICE WHO IN TURN DELIVERED IT TO THE NATIONAL RADIATION LABORATORY IN CHRISTCHURCH FOR A RADIOACTIVE CHECK (NEGATIVE FINDING). THE OBJECT HAS NOW BEEN DELIVERED TO THE NZ DSIR FOR DETAILED EXAMINATION AND ANALYSIS. ON NOV 5 A SECOND "SPACE BALL" WAS FOUND BY

PAGE 2

88111010

DEPARTMENT OF DEFENSE

JOINT CHIEFS OF STAFF

MESSAGE CENTER

PAGE 3

83557

ANOTHER ASHBURTON FARMER (AGAIN NAMED LOVETT, APPARENTLY BROTHERS) WHILE CUTTING A FIELD OF ALFALFA. THE LOCATION OF THE SECOND FRAGMENT WAS APPROXIMATELY 240 METERS FROM THE FIRST AND IN AN ADJOINING FIELD. IT WAS NOT DISCOVERED UNTIL IT HAD BEEN STRUCK BY THE MOWING MACHINE AND IS, THEREFORE, REPORTEDLY DAMAGED BY THE MACHINERY. THE SECOND OBJECT HAS BEEN TURNED OVER TO THE NZ POLICE BUT HAS NOT YET REACHED DSIR IN WELLINGTON.

(1) TIME OF IMPACT: UNKNOWN. THE FARMER, JOHN LOVETT, CLAIMS TO HAVE BEEN IN THE PADDOCK ON OCTOBER 22 AND IS CERTAIN THE FRAGMENT, WHICH WAS PROMINENTLY LOCATED, WAS NOT IN THE PADDOCK AT THE TIME. IF THE MILKMAN'S SIGHTING CAN BE CONFIRMED, THE APPROXIMATE TIME OF IMPACT WOULD BE 1400 GMT, OCT 23. COORDINATES OF IMPACT AREA ARE 171-44E AND 44-84S.

2. SEE "SIGHTINGS" ABOVE.

3. SEE "SIGHTINGS" ABOVE.

4. CHARACTERISTICS OF IMPACT AREA: UNKNOWN. (NZ POLICE HAVE BEEN ASKED TO INTERVIEW THE DISCOVERING FARMERS AND PERFORM A MORE THOROUGH INSPECTION OF THE IMPACT AREA).

5. DAMAGE: NONE

IDENTIFYING MARKS: NONE APPARENT ON FIRST SPHERE. SECOND SPHERE HAS NOT BEEN EXAMINED FOR IDENTIFYING MARKS.

(D) PHYSICAL NATURE AND CONDITION:

1. SIZE: SPHERE WITH WELDED EQUATOR; 166 MM. DIAMETER AT THE EQUATOR AND 165 MM. DIAMETER AT THE POLS; THICKNESS APPROXIMATELY 3MM.

2. WEIGHT: 882 GRAMS (DSIR ESTIMATES APPROXIMATELY 18 PER CENT ORIGINAL WEIGHT LOSS THROUGH DEFORMATION CAUSE BY

DSIR.

(F) TECHNICAL INVESTIGATION: R.O. BELIEVES THAT A U.S. TECHNICAL TEAM WOULD BE WELCOME TO EXAMINE THE OBJECTS ALTHOUGH THE R.O. HAS NOT DISCUSSED THAT POSSIBILITY WITH ANY NEW ZEALAND AUTHORITIES.

COMMENT: [REDACTED] THE FOLLOWING COMMENT FROM THE EMBASSY SCIENTIFIC ATTACHE IS OFFERED:

QUOTE THE TWO SPHERICAL SPACE OBJECTS AND OTHER APPARENT SPACE DEBRIS WHICH WERE FOUND IN APRIL 1972 WERE LOCATED IN VIRTUALLY THE SAME AREA SOUTH OF ASHBURTON. (THE TWO 1972 IMPACT AREAS WERE APPROXIMATELY TEN AND ONE-HALF MILES APART. THE APPARENT 1978 IMPACT AREA IS ABOUT FIVE MILES SOUTH OF BOTH, FORMING A TRIANGULAR PATTERN). THE STATISTICAL LIKELIHOOD OF TWO SEPARATE SPACECRAFT DECAYING IN A WAY WHICH CAUSED THEM TO IMPACT IN VIRTUALLY THE SAME SPOT ON THE GLOBE WAS CONSIDERED TO BE SO SMALL AS TO MAKE THE 1978 OBJECTS SUSPECT. THIS SUSPICION WAS REINFORCED BY ADVICE FROM MT. JOHN BAKER-NUNN TRACKING STATION THAT THEY HAD NOT BEEN ALERTED TO SPACE CRAFT DECAY DURING THE OCTOBER 23-24 PERIOD. DSIR'S ADVICE TO THE SCIENCE OFFICER NOVEMBER 3 THAT THE SPHERE WAS A SILICON-ALUMINUM ALLOY WITH A MELTING POINT OF LESS THAN 660 DEGREES CAUSED DOUBT THAT A SPACE OBJECT WITH SUCH A LOW MELTING POINT COULD SURVIVE RE-ENTRY IN SUCH A SURPRISINGLY COMPLETE CONDITION, EVEN IF SHIELDED. (THERE ARE NO EVIDENCES OF SHIELDING OTHER THAN THE MAGNETIC SPATTERING.) THE DISCOVERY OF THE SECOND SPHERE ON NOVEMBER 5, HOWEVER, SEEMS TO INCREASE THE LIKELIHOOD THAT THE OBJECTS ARE INDEED SPACE FRAGMENTS AND, BECAUSE THE ALFALFA FIELD HAD BEEN WORKED EARLIER THIS YEAR, IT WOULD SEEM TO ELIMINATE THE POSSIBILITY THAT THE SPHERES WERE CONNECTED WITH THE 1972 FINDINGS. ALSO, FROM THE OBSERVATION OF THE FIRST BALL, IT WAS TOO CLEAN INSIDE AND OUT TO HAVE BEEN LAYING ABOUT SINCE 1972 OR EVEN FOR SEVERAL MONTHS. (THE NZ POLICE SAY THEY DID NOT CLEAN THE BALL.) THE INTERIOR OF THE BALL IS COVERED IN A FINE, LIGHT BROWN DUST WHICH HAS NOT YET BEEN ANALYZED. THROUGH THE HOLES IN THE SPHERE, THE EQUATORIAL WELD CAN BE OBSERVED, AND IT IS APPARENT THE WELD WAS EXTERNAL ONLY. THE WELD BEAD DID NOT PENETRATE THE JOINT, AND A FAIRLY WIDE REACH BETWEEN THE TWO HEMISPHERES IS OBSERVABLE. DSIR WILL CONTINUE TO COOPERATE WITH FULL ANALYSIS INFOR-

15. SUMMARY:

Mr. S. Ramamritham and Mr. Chandra Sekhar, Director of Research and Development, Technical Center, Office of the Director General of Civil Aviation, New Delhi, India visited the Office of The U.S. Air Attache on 11 February 1966. Purpose of the visit was to deliver the attached drawings of the space debris found in Rajasthan on 22 June 1965. The titanium material is purported by them to be manufactured by SPS Bolts (an alleged California company).

1. Request evaluation of this IR by DIAST-5. Pertinent questions raised by this office are:

- a. From information provided, can the debris be positively identified?
- b. If so, what is country of origin?
- c. Does U.S. desire recovery for scientific purposes?

2. Guidance to the DAO field collector will be formulated based upon the evaluation requested above and in coordination with the Department of State.

प्रबंधशासकीय क्रमांक/D. O. No. 9-11/65-RD.

दिनांक नई दिल्ली १८८

Dated New Delhi, the 17th Feb. 1966.

Dear Col.Mc.Keever,

I am writing to thank you for obtaining for us the information and clarifications sought by us in regard to the wreckage of the space vehicle found in Kotah district of Rajasthan on the 22nd June 1965. The suggestion mentioned, in the message transmitted by you, that the wreckage could be a part of the Titan III-C rocket does not appear to be likely as the estimated diameter of the wreckage is much smaller.

With the help of the two drawings of the wreckage which I handed over to you, during our meeting this afternoon, I hope it would now be possible to make a definite identification of this wreckage. I am looking forward to receiving from you at an early date information on the following which was explained to you in some detail during our personal discussion.

1. Identification of the wreckage along with particulars like date, time of launching etc.
2. Details of provisions for compensating damages, if any, caused to personnel and/or property by such bodies outside the U.S.A.

Thanking you,

Yours sincerely, -

Col. M.J.Mc.Keever,
U.S.Air Attache,
Embassy of the U.S.A.,

DATE: APR 04 1966

FROM : DIAST-3

SUBJECT: IR [REDACTED]

1. [REDACTED] Based upon information contained in subject IR, and attachments, the debris cannot be identified; however, if it can be established definitely that the debris contains English (American) writing or lettering, then this rules out the debris as having intelligence interest. If the debris does not contain English writing or lettering, request that the item be obtained for exploitation as possible foreign space debris.
2. (U) Recommend the U.S. Air Force DCS Research & Development, Director of Development, be queried to see if he can identify this debris as "Titan" booster debris.

15. SUMMARY:

This report forwards photographs of object believed to come under Project "MOON DUST". The object was seen falling in an area 30 kms N.E. of LAI (C924N-1618E) on 1 August 1970. It produced three loud explosions on landing and was said to have burned for five days. The sphere weighs 30 pounds and has a circumference of four feet.

A second object was found in the same general area. It, however, resembles an automobile shaft. Photographs of this object are forwarded (see Encl # 1). It weighs approximately 20 pounds and the shaft is 3 ft. 2 inches long. A cylindrical weight four inches in diameter moves freely on the shaft. A bronze fitting on the shaft is well worn.

PAGE:0022

SUMMARY: ~~(S/NF/WN)~~ REPORT PROVIDES INFORMATION CONCERNING UNEXPLAINED PHENOMENA WHICH THE [REDACTED] HAS EITHER PERSONALLY OBSERVED OR HAS HEARD ABOUT FROM FRIENDS/ACQUAINTANCES. THE OBSERVATIONS (EXACT DATES NOT RECALLED) CONSISTED OF DOMES OF LIGHT, POINTS OF LIGHT, AND ELLIPSE OR CYLINDRICALLY SHAPED OBJECTS.

TEXT: (U)

1. ~~(S/NF/WN)~~ DOMES OF LIGHT. ON ONE OCCASION A SILVER-COLORED LIGHT WAS OBSERVED IN THE AZERBAJDZHAN REGION OF THE USSR. A BRIGHT CENTER POINT EMITTED LIGHT IN ALL DIRECTIONS WHICH SLOWLY INCREASED

THE SIZE OF A DOME WHICH WAS LESS BRIGHT. THE DOME CONTINUED TO GROW EVEN AFTER THE LIGHT IN THE CENTER HAD BEEN EXTINGUISHED. THE CENTER LIGHT CONTINUED FOR ABOUT 15 MINUTES. THE EMITTED LIGHT (DOME) LASTED MUCH LONGER (OVER 30 MINUTES.) [REDACTED]

[REDACTED] ALSO OBSERVED THIS PHENOMENA NEAR KUYBYSHEV// [REDACTED], USSR. THE DETAILS WERE THE SAME AS MENTIONED ABOVE, EXCEPT THE CENTER LIGHT AND RESULTANT DOME WERE ORANGE IN COLOR.

2. ~~(S/NF/WN)~~ POINTS OF LIGHT. DURING THE SPRINGTIME, [REDACTED] FOUR POINTS OF LIGHT OVER THE CAUCASUS MOUNTAINS [REDACTED] NORTH OF MIKHA TSKHAKAYA AIRFIELD, [REDACTED], USSR. THE POINTS WERE GREENISH IN COLOR AND THE LIGHT WAS SPREADING. THE POINTS WERE APPROXIMATELY 150 TO 200 KILOMETERS (KM) [REDACTED] EACH POINT EMITTED A SEPARATE LIGHT. [REDACTED]

[REDACTED] COULD SEE THE LIGHTS FROM THE AIR, BUT CLOUD COVER PREVENTED THEIR BEING SEEN FROM THE GROUND.

3. (U) OBJECTS.

A. ~~(S/NF/WN)~~ PERSONAL SIGHTING. [REDACTED] OBSERVED AN OBJECT FLYING IN VERTICAL CIRCLES. THE BRIGHT SILVER-COLORED OBJECT WAS APPROXIMATELY 50 TO 60 KM [REDACTED] THE OBJECT MOVED AWAY [REDACTED] FLEW AWAY FROM THE OBJECT, IT MOVED BACK [REDACTED] IT WAS DIFFICULT TO DETERMINE THE DIMENSIONS AND EXACT SHAPE OF THE OBJECT. [REDACTED]

8. ~~(S/NF/WN)~~ UNIDENTIFIED OBJECT. IN THE SPRING OF 1984, A FRIEND [REDACTED] WAS SENT BY THE REGIMENTAL COMMANDER TO INTERCEPT AN OBJECT WHICH HAD BEEN OBSERVED FLYING NEAR MIKHA TSKHAKAYA AIRFIELD AT A SUPERSONIC SPEED. HOWEVER, THE OBJECT DID NOT MAKE A SONIC BOOM AS IT FLEW NORTH TO SOUTH OVER THE BASE. THE PILOT, FLYING A MIG-23/FLOGGER IN FULL AFTERBURNER AT MACH 1.2 WAS UNABLE TO CLOSE ON THE OBJECT. BY THE TIME BOTH MIG-23 AND UNIDENTIFIED OBJECT APPROACHED THE COASTLINE OF THE BLACK SEA, THE FLOGGER WAS APPROACHING MACH 1.6. THE PILOT ACTIVATED HIS INFRARED SEARCH AND TRACK SYSTEM (IRSTS) APPROXIMATELY 12 KM FROM THE TARGET AND OBSERVED THE LARGEST BLOOM HE HAD EVER SEEN ON HIS INDICATOR. THE

~~SECRET~~

~~NOFORN WHINTEL~~

~~SECRET~~

~~NOFORN UNINTEL~~

PAGE:0023

PILOT IMMEDIATELY REPORTED THIS INFORMATION TO THE CONTROLLER. BY THE TIME THE REACHED A SPEED OF NEARLY MACH 2, THE PILOT HAD TO BREAK OFF THE INTERCEPT DUE TO LOW FUEL. THE PILOT NEVER ACQUIRED A VISUAL IDENTIFICATION OF THE OBJECT. THE MIG-23'S ALTITUDE DURING THE CHASE WAS 5,000 M. [REDACTED]

C. ~~(S/NF/NN)~~ ELLIPSE SHAPED OBJECT. DURING NIGHT FLIGHTS IN THE AZERBAJDZHAN AREA, SEVERAL AIRCREWS REPORTED AN ELLIPSE SHAPED OBJECT FLYING MORE THAN 20 KM FROM THEM WHICH EMITTED A LIGHT IN ONE DIRECTION. [REDACTED]

[REDACTED] THE AIRCREW WERE UNABLE TO ACQUIRE A RADAR CONTACT ON THE OBJECT. ALL OF THE PILOTS WHICH OBSERVED THE UNIDENTIFIED OBJECT WERE INSTRUCTED TO LAND IMMEDIATELY. THE CREWS WERE ORDERED TO NEVER DISCUSS THE OBJECT THEY HAD OBSERVED.

TEXT: 1. (S/NF/WN)

2. (S/NF/WN)

- A
STRANGE LIGHT OCCURRED IN THE NORTHWESTERN SIDE AT 9:06 ON AUGUST 28, 1988. IT WAS TAKEN FROM THE UTMOST WESTERN WINDOW OF THE NUMBER 5 BUILDING OF THE TECHNICAL COLLEGE. AT FIRST, IT (THE LIGHT) AS A LIGHT SPOT WITH TAIL. IT ALSO SPINS. IT RISES RAPIDLY. AFTER RISING INTO THE SKY THE TAIL REVOLVES AROUND LIGHT SPOT, IN THE MEANTIME, THE CIRCLE EXPANDS QUICKLY. THIS LASTS FOR ABOUT 4 MINUTES. THEN IT BECAME A LARGE CIRCLE, COVERING THE NORTHWESTERN SKY. THERE IS A BLUE LIGHT SPOT WITH A TADPOLE SHAPE, NEAR LOWER LEFT, WHERE THE ORIGINAL LIGHT ROSE.

1. (U) [REDACTED] RECEIVED A COPY OF THE MOST RECENT EDITION
OF "VESTNIK VOZDUSHNOGO FLOTA," OR "AIR FLEET HERALD," ON
960402. FOLLOWING ARE BRIEF SYNOPSSES OF THE MORE
INTERESTING ARTICLES.

2. (U) THE FIRST ARTICLE, WRITTEN BY AUTHORS V.
((SHULTZAS)) AND M. ((SOBKALOV)), IS ENTITLED "RUSSIAN
EXPORT ACTIVITIES IN MILITARY AVIATION." THE ARTICLE
DESCRIBES TRENDS IN WORLD ARMS SALES AND PROBLEMS
ENCOUNTERED BY RUSSIAN ARMS TRADERS. THE AUTHORS

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

PAGE:0006

FORECAST AN OVERSATURATION OF THE WORLD MILITARY AIRCRAFT MARKET BEFORE THE YEAR 2000.

3. (U) BEGINNING ON PAGE 11, THE ARTICLE ENTITLED "LAST FLIGHT" GIVES DETAILS OF THE DECEMBER 1995 CRASH IN VIETNAM OF THREE SU-27 AIRCRAFT FLOWN BY MEMBERS OF THE "RUSSIAN KNIGHTS" AEROBATIC TEAM. THE ARTICLE ALSO GIVES BRIEF BIOGRAPHICAL SKETCHES OF THE FOUR RUSSIAN FLYERS WHO DIED IN THE ACCIDENT.

4. (U) BEGINNING ON PAGE 14, AUTHOR V. ((KUCHERENKO)) IN "THE DISREGARDED REASONS" DISCUSSES FLIGHT ACCIDENTS AND THEIR CAUSES. BESIDES POSSIBLE NATURAL CAUSES, THE AUTHOR EVEN MENTIONS THE INFLUENCES OF UNIDENTIFIED FLYING OBJECTS.

5. (U) IN "HELP COMES FROM THE SKIES," M. ((FALAYEV)) WRITES ABOUT THE "CENTROSPAS" AIRMOBILE RESCUE UNIT WHICH IS SUBORDINATE TO RUSSIA'S MINISTRY FOR CIVIL DEFENSE AFFAIRS, EMERGENCY SITUATIONS AND ELIMINATION OF CONSEQUENCES OF NATURAL DISASTERS, OR EMERCOM.

6. (U) "AIR POWER OF RUSSIA," BEGINNING ON PAGE 16, CONTAINS A SERIES OF INFORMATIVE ARTICLES ON SOME OF RUSSIA'S BEST MILITARY AIRCRAFT, INCLUDING THE SU-34, SU-35, SU-27, SU-25, MIG-29, MIG-29M, AND MIG-27. A SEPARATE SECTION DESCRIBES THE SU-39 TANK KILLER AIRCRAFT. THE SECTION INCLUDES INTRODUCTIONS WRITTEN BY COLONEL-GENERAL PETR ((DEYNEKIN)), COMMANDER-IN-CHIEF OF THE RUSSIAN AIR FORCE AND BY COLONEL-GENERAL NIKOLAY ((ANTOSHKIN)), COMMANDER OF RUSSIA'S FRONTAL AVIATION FORCES.

7. (U) BEGINNING ON PAGE 65, AUTHOR G. ((BYUSHGENS)) IN "RUSSIAN SCIENCE NEEDS RENUNCIATION" ARGUES THAT THE CANCELLATION OF BASIC RESEARCH PROGRAMS HINDERS THE AIRCRAFT CONSTRUCTION INDUSTRY.

8. (U) ON PAGE 69, AN ARTICLE ON FLIGHT WEAR DESCRIBES HOW THE "RUNO-S" COMPANY, ASSOCIATED WITH SUKHOY DESIGN BUREAU, MANUFACTURES CLOTHING FOR FLIERS, INCLUDING HIGH-QUALITY FLIGHT SUITS FOR TEST PILOTS AND FUR AND LEATHER FLIGHT JACKETS.

9. (U) AUTHOR G. ((LOZINO-LOZINSKIY)) IN "GERAKL TRIPLANE" DESCRIBES NPO MOLNIYA'S "GERAKL" PROJECT WHICH ENVISIONS THE DEVELOPMENT OF A SUPERHEAVY TRANSPORT AIRCRAFT. THE ARTICLE CLAIMS THAT THE SUPERHEAVY TRANSPORT COULD CARRY UP TO 450 TONS OR AS MANY AS 1200 PASSENGERS FOR UP TO 12,000 KILOMETERS IN THE CARGO HOLD AND IN SPECIAL UNDERWING CONTAINERS. IF SUFFICIENT FUNDING IS SECURED, SAYS THE AUTHOR, THE AIRCRAFT COULD

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

PAGE:0007

BEGIN FLYING IN SIX YEARS.

10. (U) "TO BE OKAY IN BUSINESS AND TO EXPAND THE VENTURE" DISCUSSES THE RUSSIAN AIRLINE "TRANSAERO". THE ARTICLE FEATURES AN INTERVIEW WITH MR. ALEKSANDR ((PLESHAKOV)), PRESIDENT OF TRANSAERO.

11. (U) K. ((RUPPEL)) IN "IF WE'LL TAKE OFF, IF WE'LL LAND" DESCRIBES THE SHRINKING NUMBERS OF AIRPORTS SERVICING THE VAST EXPANSE OF RUSSIA. HE OFFERS POSSIBLE WAYS TO IMPROVE AIRPORT SERVICE, INCLUDING SETTING UP INVESTMENT FUNDS TO ATTRACT FOREIGN CAPITAL INVESTMENT.

12. (U) STARTING FROM PAGE 78, G. ((ANTONENKO)) IN "AVIATION ACCORDING TO THE LAW" DESCRIBES THE CONFUSING RELATIONSHIP BETWEEN RUSSIA'S COMMERCIAL AVIATION AND GENERAL AVIATION. HE DETAILS PORTIONS OF THE RUSSIAN FEDERATION AVIATION CODE.

13. (U) V. ((RODIKOV'S)) "WE SHOW AIRPLANES WHICH ARE IN SERIAL PRODUCTION" FEATURES AN INTERVIEW WITH V. ((KUZMIN)), GENERAL DIRECTOR OF RUSSIA'S FAMED MAPO-MIG CORPORATION. THE AUTHOR ALSO DISCUSSES MIG-29 SALES AND THE MIG-AT TRAINER.

14. (U) SEMYON ((UMANSKIY)) IN "MODERN ROCKET LAUNCHERS" DESCRIBES SOVIET AND RUSSIAN SPACE LAUNCHES AND ROCKET BOOSTER ENGINES.

15. (U) IN PROBABLY THE MOST INTRIGUING ARTICLE OF THIS MAGAZINE, AUTHOR V. ((MAKSIMOVSKIY)) DISCUSSES THE DEVELOPMENT OF STEALTH TECHNOLOGY IN "THE HUNT FOR THE INVISIBLE ONE." THE AUTHOR CLAIMS THAT RUSSIAN SCIENTISTS HAVE DEVELOPED A METHOD OF RELIABLY DETECTING STEALTH TECHNOLOGIES.

16. (U) IN "NOT TO LOSE A CHANCE" V. ((SIRENKO)) DESCRIBES THE PROGRESS OF RUSSIA'S "GLONASS" GLOBAL NAVIGATION SYSTEM. THE AUTHOR ADVOCATES THE MASS PRODUCTION OF A NEW PORTABLE RUSSIAN-BUILT RECEIVER DEVELOPED BY RUSSIA'S SCIENTIFIC RESEARCH CENTER.

17. (U) BEGINNING ON PAGE 98, L. ((KVASNIKOV)) IN "NUCLEAR POWERPLANTS IN SPACE" DISCUSSES THE DEVELOPMENT OF RUSSIAN AND AMERICAN NUCLEAR POWERPLANTS FOR SATELLITES AND POSSIBLY FOR FUTURE SPACECRAFT.

18. (U) A TABLE ON PAGE 100 CONTAINS STATISTICS, DESCRIPTIONS OF ORBITS, AND COMMENTS ON RUSSIAN SPACE LAUNCHES IN THE LAST HALF OF 1995.

13-19 мая 1996

в Берлине
на территории аэропорта
Берлин-Шенефельд (SXF)

Выставочное общество «Messe Berlin» предлагает всем заинтересованным организациям и лицам принять участие в качестве экспонентов и посетителей Международной авиакосмической выставки ИЛА-96

Содержание экспозиции ИЛА-96

Военные и гражданские самолеты и вертолеты, космическая техника, оборонная техника, двигательные установки, компоненты, узлы, детали, конструкционные материалы, наземные и бортовые электронные системы и оборудование, машины и оборудование для производства авиакосмической техники, технического обслуживания и ремонта авиатехники, оборудование аэропортов, авиационно-космические исследования, спутниковая техника, телекоммуникации, интегрированные системы управления транспортом и т.д.

Главные темы выставки

Наряду с общей экспозицией особое отражение на выставке получают темы космических полетов, гуманитарной авиации, авиации — космонавтики — экологии, новых конструкционных материалов.

Условия участия

Базовая стоимость аренды 1 м2 выставочной площади: 378 ДМ — в павильоне и 195 ДМ — на открытой площади. Все экспоненты, направившие заявки на участие в ИЛА-96 до 30 ноября, получают при оплате стенда скидку в 10%.

Контактные лица

В Берлине — г-н З.Иван (Messe Berlin), телефон 30/3038-2056, факс 30/3038-2059

в Москве — д-р Э.Климова (представительство Messe Berlin в России), телефоны: 135-51-87, 431-75-04, тел/факс 135-52-27; — г-н А.Бехтер (АО «Издательский Дом «Авиация и космонавтика». Изготовление рекламной продукции по заказам экспонентов ИЛА-96), телефоны: 212-38-01, 212-15-50.

Редакция журнала

«Вестник Воздушного Флота» предлагает экспонентам ИЛА-96, а также всем предприятиям российского авиационно-космического комплекса разместить свои рекламные материалы в дайджесте «Вестника Воздушного Флота». (на английском и русском языках). Предполагаемый объем — 136 стр. Следующий номер дайджеста будет выпущен к авиакосмическому салону «Фарнборо-96». Размещение материалов, ранее опубликованных в нашем журнале, производится со скидкой до 40%.

Заявки на публикации принимаются до 15.03.1996 г., материалы — до 1.03.1996 г. по адресу: Россия, 125167, Москва, ул. Красноармейская д.4 «Вестник Воздушного Флота». Телефон (095) 212-02-78. Факс (095) 214-56-80.

МЕЖДУНАРОДНАЯ АВИАКОСМИЧЕСКАЯ ВЫСТАВКА ИЛА-96

№ 1-2 1996

ИЗДАЕТСЯ С ИЮНЯ 1918 ГОДА
с января 1962 г. по июнь 1994 г. выходил как «Авиация
и космонавтика»

УЧРЕДИТЕЛЬ — АО "ИЗДАТЕЛЬСКИЙ ДОМ
"АВИАЦИЯ И КОСМОНАВТИКА",
при участии ВВС РФ, МАПО «МИГ», фирмы
«Камов», АОТ «ОКБ Сухого», Иркутского АПО,
Новосибирского АПО, МВЗ им. М.Л.Милы,
АК «Як», АНТК им. А.Н.Туполева,

ANNOTATED ARTICLES IN ENGLISH

- 4 V. Shultz, M. Sobkalov. **RUSIAN EXPORT ACTIVITIES IN MILITARY AVIATION**
Tendencies of world arms sales market and problems of trading Russian military aircraft and equipment are discussed. Over-saturation of the world market with military aircraft just before the next millennium is forecasted. The authors show growing scientific and engineering standards of the national military aircraft industry on the pattern of proved Russian airplanes.
- 8 **NEWS**
- 10 **ACCIDENTS**
- 11 **THE LAST FLIGHT**
Three Su-27 airplanes of the «Russian Knights» aerobatic team crashed in Vietnam, not far from Kam Ranh airbase, on December 12, 1995. The article discloses some objective information shedding light on the circumstances of death of four Russian pilots and gives brief descriptions of their biographies.
- 14 V.Kucherenko. **THE DISREGARDED REASONS**
Reasons of flight accidents are often left undisclosed. The author believes that some accidents occur because aircraft and their crews are subjected to the influence of energetic envelopes belonging to different natural objects and, first of all, undersurface water flows. Influence of UFO probe radiation, in particular, could result in heavy consequences. This is why there must be a specialist in biolocation among experts investigating an accident.
- 16 M. Faleyev. **HELP COMES FROM THE SKIES**
«Centrospas» detachment is an aeromobile rescue unit of aviation of Russia's Ministry for Civil Defence Affairs, Emergency Situations and Elimination of Consequences of Natural Disasters. The detachment participated in providing help to victims of air accidents and natural disasters, in elimination consequences of the accident at the Chernobyl Nuclear Power Station, humanitarian aid deliveries to areas of armed conflicts, in fire extinguishing.
- 19 V.Ilyin, S.Skrynnikov. **AIR POWER OF RUSSIA**
We present a magazine variant of a book of the same title. This issue contains the introduction written by Col Gen P. Deinekin, the Commander in Chief of the Russian Air Force, and chapter «Frontal Aviation» with introductory article by Col Gen N. Antoshkin, Frontal Aviation Commander. The section tells about aircraft in the Russian service as well as types recently retired from first-line units, and waiting for entering service, i.e. Su-35, Su-34, Su-27, Su-25, Su-24M, Su-17M4, MiG-29, MiG-29M, MiG-27, M-55, Yak-28, etc. One article, «Grach is a multipurpose bird» by A. Velovich, describes the Su-39 (former Su-25TM), attack aircraft. Materials devoted to different aviation services of the Russian Armed Forces including RusAF Long-Range, RusAF Military Transport Aviation, Interceptor Aviation of the Air Defence Forces, Army and Navy Aviation are planned for publication in next issues of the magazine.
- 65 G.Byushgens. **RUSSIAN SCIENCE NEEDS RENUNCIATION**
Academician G. Byushgens, Adviser of TsAGI (Central Aero-Hydrodynamical Institute) Board, brings up a pressing question of aviation science development perspectives in Russia. The facts cited in the article persuasively prove that cancellation of advanced basic research programmes delivers a blow to the very aircraft-building prospective.
- 69 **FLIGHT CLOTHINGS BY «RUNO-S» ARE MATCHED WITH «SU» AIRPLANES**
The famous Sukhoi Design Bureau has a branch firm «Runo-S» that manufactures high-quality flight clothings for test pilots as well as fur and leather coats.
- 70 G.Loizino-Loizinsky. **«GERAKL» TRIPLANE**
Embodying the project of the «Gerakl» Superheavy Transport Airplane developed by NPO «Molniya» would allow to create an aircraft having no counterpart all over the world. It could carry up to 450 tonnes of load or up to 1200 passengers in a special underwing container or cabin and transport the commercial load for the distance up to 11 — 12 thousand kilometers. Use of foreign-made avionics and engines would make it competitive. With sufficient financial support, the «Gerakl» could begin flying only in six years.
- 73 V.Zenkin. **«BRUSSEL — EURICA-95»**
- 74 **«...TO BE O.K. IN BUSINESS AND TO EXPAND THE ACTIVITY»**
On the background of common restriction of air traffic volumes in Russia, Transaero doubles this rating yearly. The millionth Transaero's passenger was met in Sheremetyevo airport on December 4, 1995. The company is the second after Aeroflot authorized Russian firm for carrying out regular flights to the USA. Our reporters were informed about these facts and many other ones by Alexander Pleshakov, President of Transaero.
- 76 K.Ruppel. **IF WE'LL TAKE-OFF, IF WE'LL LAND...**
Because of insufficient financial support of the Civil Aviation, the number of airports in Russia is swiftly reduced, especially at remote districts where acute need in air transportation is felt. There are shortage of modern airports in our country. How to provide the safe and effective operation of air transport under these conditions? The author sees a solution of the problem in using attracted funds of regions and cities, investments including foreign ones as well as trust funds.
- 78 G.Antonenko. **AVIATION ACCORDING TO LAW**
Two parts of the Civil Aviation of Russia (general aviation and commercial one) are compared by their legal nature. It is noted that Air Code of the USSR, currently in force in Russia, does not contain any clear separation of these two kinds of aviation because it was intended for the regulation of aviation activities under conditions of the Soviet command-administrative system. So, the author tells about the project of the new Air Code of Russian Federation and cites documents regulating the general aviation activities before its approval.
- 80 N.Chernyshev. **7000 OVER THE GROUND**
Valery Syutkin, popular singer and composer and former soloist of the «Bravo» group, interviewed by our magazine.
- 82 A.Markusha. **NON-ESSENTIALS — GET OUT!**
The writer Anatoly Markusha is known as a man who is familiar with aviation not by hearsay. Published back in the «Aviatsiya i Kosmonavtika» magazine, the first chapters of his new novel were appreciated by readers at their true value. «Vestnik Vozdushnogo Flota» proceeds publishing chapters of the book.
- 84 K.Kosminov. **I-17bis (LTK-196bis). CANNON THEME AND I-16'S VARIATIONS. IL-40**
The article proceeds the rubric «Archive finds» begun in the previous issue.
- 86 A.Kanevsky. **NIKOLAI KUDRIAVTSEV, ATTACK PILOT**
The article of the routine rubric «People and aircraft» (was begun in the «Aviatsiya i Kosmonavtika» magazine in 1992) tells about the remarkable

НЕУЧТЕННЫЕ ПРИЧИНЫ

Расследования авиационных происшествий (АП) ориентированы главным образом на выявление отказов авиационной техники и ошибок летного и инженерно-технического состава.

Однако во многих случаях однозначно установить неисправности и их причины не удается, а действия пилотов или других членов экипажа не вызывают нареканий.

В то же время нередко АП имеют сходные ситуационные признаки (в частности, при взлетах и посадках), а также определенные территориальные привязки.

Поэтому можно говорить о существовании неучитываемых на сегодняшний день факторов, которые вполне могут являться истинной первопричиной многих АП.

Для выявления этих факторов необходимы новые концептуальные и методологические подходы. В этом отношении эффективным представляется использование методов биолокации с позиций нового комплексного научного направления — энергоинформатики.

Владимир КУЧЕРЕНКО,
член-корреспондент Международной
академии информатизации

Термином «биолокация» определяется способность человека интуитивно, а при использовании специальных приспособлений (лоса, рамка, маятник) и формализованно выявлять и анализировать разнообразную информацию. Разработаны новые оригинальные методики идентификации объектов, а также наглядного и точного отображения информации. Расширение областей применения биолокации обусловлено невозможностью иными методами исследовать многие объекты и явления и устанавливать обстоятельства АП. Хотя биолокацией достаточно широко занимаются во многих странах, российские специалисты добились наиболее значительных успехов.

Новые области применения биолокации — анализ и прогнозирование причин возникновения, развития и последствий таких невоспроизводимых явлений, как чрезвычайные ситуации (в том числе авиационные происшествия) природного и техногенного характера. В 1992-1993 гг. руководство Межгосударственного авиационного комитета предоставило автору возможность изучить архивные материалы Госавианадзора (дела за 1987 г.). Успешно проводились также биолокационные исследования по АП совместно с сотрудником одного из учреждений МЧС С.Дементьевым.

Наиболее эффективно использование биолокации с позиций энергоинформатики. К ее основным положениям относится признание наличия у каждого объекта (процес-

са, явления) полевых структур (энергетических оболочек) с четко выраженными границами — кластеров, а также обусловленности наличием кластеров дистанционных взаимодействий и взаимовлияний объектов.

Кластеры имеют внешнюю границу и в большинстве случаев одну или несколько внутренних. Между границами гравитация может быть слегка увеличена или уменьшена относительно фонового значения. В соответствии с принятой терминологией о полевых структурах с повышенной гравитацией говорят, что им присуща «патогенная энергетика», а о полях с пониженной — что они имеют «положительно влияющую энергетику».

Кластеры проникают через материальные экраны и преграды (эффект транскранирования). Разнотипные кластеры также транскранируют. Однотипные или родственные взаимодействуют между собой. Их взаимовлияние может сопровождаться образованием силовых полей, оказывающих интенсивное воздействие на материальные объекты. Кластеры проявляются на фотоснимках и распечатках телевизионных стоп-кадров и еще более четко визуализируются на ксерокопиях и типографских репродукциях фотоматериалов.

Биолокационными исследованиями с применением методов энергоинформатики установлено, что первопричина многих техногенных чрезвычайных ситуаций, в том числе АП, — неучитываемые в настоящее время проявления и воздействия имеющей патогенную энергетику двухтранчных вихревых кластеров подповерхностных водных потоков. На области распространения таких кластеров приходятся природные аномальные зоны на поверхности Земли. Кластеры

приповерхностных потоков вытянуты преимущественно вверх, проходят через горные и осадочные породы и толщу поверхностных водоемов. Особенно опасны кластеры поворотов и разветвлений тех потоков, где рассеяние энергии максимально. Над земной поверхностью кластеры обычно имеют столбчатую или купольную конфигурацию и распространяются на высоту в десятки и сотни метров, а порой и в несколько километров. Иногда высота и энергетические характеристики кластеров могут резко возрастать.

Известные специалисты в области биолокации и энергоинформатики Н.Сочеванов и А.Охатрин еще несколько лет назад обращали внимание авиационных специалистов на взаимосвязь мест авиaproисшествий с участками патогенных зон. Наиболее опасны полеты на сравнительно небольшой высоте. Не случайно так многочисленны АП при взлетах и посадках или вблизи аэродромов и на ВПП. Они обусловлены не только высотой распространения кластеров, но и самим расположением аэродромов. Во многих случаях эти объекты находятся как раз на высокоэнергетических участках патогенных зон или в непосредственной близости от них. Это объясняется тем, что для аэродромов выбирали незаселенные участки местности, а люди там не селились именно из-за тяжелой энергоинформационной обстановки.

Силовые воздействия при разбегах и пробеге самолета приводят к сносам с ВПП или разворотам на ней. Парировать их оказывается невозможным. Траектория движения ЛА в таких случаях соответствует конфигурации дугообразного русла подземного водного потока с попутным к направлению движения течением, а разворот происходит на петлевом повороте потока.

Выявлены случаи, когда и в полете самолеты оказывались в пределах кластеров спутного дугообразного или извилистого подземного потока и вынужденно со снижением следовали его изгибам до столкновения с препятствием или землей. Так было в случае катастрофы самолета Ан-2 в районе населенного пункта Аполлоновка 24 ноября 1987 г. (рис.1). При расследовании и дорасследовании причины этого АП так и не были установлены.

В пределах вихревых кластеров с повышенной энергетикой происходят «просадки» или «проваливания» воздушных судов. При отсутствии запаса высоты они сталкиваются с препятствиями или разрушаются при ударе о землю. В полях с положительно влияющей энергетикой наблюдаются противоположные явления — набор высоты, несмотря на уменьшение частоты вращения двигателя. Преодолев такой участок, машина вновь оказывается в полях с другой энергетикой и при малой высоте полета, не имея запаса мощности двигателя, также разбивается. Такие явления происходят достаточно часто.

Рис.2

В зонах кластеров подземных потоков фиксируются изменения геофизических параметров: повышенная ионизация воздуха, отклонения характеристик магнитного поля, увеличение радиоактивного фона и потенциала атмосферного электричества, широкий спектр электромагнитных излучений и т.п.

Высокоэнергетические кластеры создают оптические нелинейности с образованием эффектов, сходных с дымкой или туманом, что может вызвать у экипажа потерю ориентации.

Еще одна опасность для воздушных судов — патогенные зоны образованные кластерами океанических и морских течений и водоворотов. Например, в результате биолокационного исследования было установлено, что 26 февраля 1992 г. над Баренцевым морем при пролете в районе кластера водоворота с поперечником около 20 м упал в воду вертолет Ка-27 авиации Северного флота.

Специфическая разновидность техногенных энергоинформационных полей — кластеры от бортового оборудования НЛО (неопознанных летающих объектов). Они видны в оптическом диапазоне, но становятся невидимы, если окружены экранирующим полем. Наиболее значительные воздействия оказывают лучевые конусные кластеры от бортовых излучателей. Такие кластеры имеют характерную структуру с тремя границами, между которыми гравитация увеличена.

НЛО обычно располагаются перед летательным аппаратом по курсу его движения. АП в этих случаях связаны с субъективной реакцией пилотов и экипажей на интенсивную патогенную энергетику лучевых кластеров (ухудшение зрительного восприятия, потеря ориентации, принятие неадекватных решений, резкое ухудшение психосоматического состояния), нарушением радиосвязи и сбоями в работе навигационного оборудования. Могут происходить поломки, заклинивания в агрегатах, выход из строя электрического и электронного оборудования, снижение мощности двигателя, пожары и т.д. Значительные силовые воздействия, вызывающие механические повреждения,

обусловлены взаимодействием сродственных трехграничных кластеров от НЛО и трехграничных кластеров вращения твердых тел — элементов бортового оборудования.

Так, 28 августа 1991 года в полете на самолете L-39 на высоте 3400 м курсант Ейского ВВАУЛ М.Чурбаков наблюдал слепящую глаза засветку. Одновременно произошел отказ основного и запасного электрогенераторов и на борту возник пожар. Потушить его не удалось. Пилоту пришлось катапультироваться на высоте около 1000 м. Биолокационное исследование показало, что энергоинформационное воздействие на самолет велось одновременно двумя НЛО. Ни окруженных экранирующими полями аппаратов, ни более широкого кластера со второго аппарата курсант не наблюдал.

Еще один пример. 13 октября 1992 года под Киевом при полете по программе сертификационных испытаний потерпел катастрофу Ан-124 «Руслан». На высоте около 6000 м разрушился носовой обтекатель, обломки которого попали в третий (правый внутренний) двигатель. Возникли и другие неполадки, в результате чего самолет стал резко снижаться и потерял способность маневрировать. При столкновении с верхушками деревьев под углом около 30° «Руслан» взорвался. Причиной разрушения обтекателя можно считать силовое воздействие лучевого кластера от НЛО (рис.2). Окруженный экранирующим полем аппарат и кластер от его излучателя экипаж и находившиеся на борту испытатели не наблюдали.

Практика показывает, что расследование АП необходимо вести с учетом наличия всех возможных источников образования кластеров. И сделать это можно только методами биолокации. Такая экспертиза должна стать обязательной.

Биолокационное выявление патогенных зон и наиболее опасных участков на аэродромах и прилегающих к ним территориях, вдоль трасс взлетов и посадок, в районах регулярного движения на малых высотах, при планировании и подготовке эпизодических рейсов позволит существенно повысить безопасность полетов.

~~2. (C/NP/WH)~~ SHIP'S MOVEMENT. ONE SOVIET WOMAN, A DOCTOR WHO SAID SHE WAS DATING AN OFFICER ON KIEV CVHG NOVOROSIYSK, REVEALED THAT SHIP IS DEPLOYING TO THE PERSIAN GULF BUT DID NOT SPECIFY A TIME FRAME. THE REVELATION OCCURRED DURING A CONVERSATION IN WHICH SHE WAS LAMENTING THE FACT IT WOULD BE IMPRACTICAL FOR THEM TO MARRY BECAUSE THE MARRIAGE WOULD ADVERSELY AFFECT HER STATE FOOD SUBSIDIES AND THERE WERE NO APARTMENTS FOR THEM.

3. ~~(C/NP/WH)~~ OTHER SHORTAGES. SHORTAGES OF NUMEROUS PRODUCTS/SERVICES IN VLADIVOSTOK RESULTED IN OBSERVATIONS OF WHAT WERE CONSIDERED UNUSUAL BEHAVIOR

A. ~~(C/NP/WH)~~ QUEUES/LINES FOR PRODUCTS WERE IN EVIDENCE. ONE ~~REDACTED~~ OBSERVED A VEGETABLE TRUCK BACKING UP TO A MARKET STALL AND TWO WELL DRESSED AND ATTRACTIVE WOMEN IN THEIR EARLY THIRTIES ENGAGED IN FISTICUFFS AND PURSE SWINGING, APPARENTLY TO ESTABLISH HEAD OF THE LINE PRIVILEGES. ~~REDACTED~~ OBSERVED A QUEUE OF MOSTLY MIDDLE-AGED MEN AT A PERFUME COUNTER. ONE OF THE

PAGE:0002

GENTLEMEN COMPLETED HIS PURCHASE, WALKED A FEW PACES AWAY TO THE OTHER SIDE OF A PARTITION, OPENED THE BOTTLE AND DRANK THE CONTENTS.

B. ~~(C/NF/WH)~~ TROPICAL FRUITS WERE EVIDENTLY IN SHORT SUPPLY. ONE [REDACTED] WAS OFFERED A SOUVENIR OF A MOST INTIMATE NATURE BY A YOUNG LADY IN EXCHANGE FOR TWO ORANGES WHICH HE HAD BROUGHT [REDACTED] OTHER VLADIVOSTOK CITIZENS HAD EVIDENTLY NEVER SEEN AN ORANGE AND ASKED INSTRUCTIONS ON HOW TO PEEL AND EAT ONE. A SOVIET ADMIRAL WAS NOTED STARING AT A PINEAPPLE DURING A [REDACTED] RECEPTION. AT A POINT THE SOVIET ADMIRAL EVIDENTLY FELT WAS APPROPRIATE, HE WHISKED THE PINEAPPLE INTO HIS WIFE'S PURSE AND BOTH STROLLED OUT [REDACTED]

[REDACTED] AT POSSIBLY THE SAME RECEPTION, AN SNI GENERAL WHO HAD IMBIBED HEAVILY PASSED THROUGH [REDACTED] SPREADING GOODWILL AND COMMENTED THAT RATHER THAN FIGHTING EACH OTHER [REDACTED] SHOULD GET TOGETHER TO FIGHT UFO'S.

C. ~~(C/NF/WH)~~ HOTEL SPACE WAS REPORTEDLY AT A PREMIUM. TWO YOUNG SOVIET LADIES WHO HAD BEFRIENDED [REDACTED] CLAIMED SEEKING HOTEL ACCOMMODATION WOULD BE FRUITLESS. AS THE TWO COUPLES WERE NEAR THE WATERFRONT, ONE OF THE YOUNG LADIES ENTERED INTO A DISCUSSION WITH THE CAPTAIN OF A FISHING BOAT AND SUBSEQUENTLY INFORMED [REDACTED]

[REDACTED] THE CAPTAIN WOULD ALLOW THE USE OF HIS BOAT FOR A SHORT PERIOD OF TIME. [REDACTED]

[REDACTED] AND WERE SUBSEQUENTLY UNABLE TO FIND SUITABLE LODGINGS. [REDACTED]

5. ~~(C/NF/WH)~~ UNUSUAL DISCIPLINARY MEASURE. [REDACTED] OVERHEARD TWO SOVIET MICHMANI DISCUSSING A SPECIFIC SAILOR WHO WAS A DISCIPLINE PROBLEM. FROM IDIOMS USED AND TONE OF THE CONVERSATION, THE MICHMANI INFERRED THAT THE TROUBLESOME SAILOR WOULD BE SODOMIZED AS A PUNISHMENT. THE SOVIET TERM USED WAS TO CLEAN HIS WHISTLE. THE ADMINISTRATION OF SAID PUNISHMENT APPEARED TO BE A COLLATERAL DUTY OF ONE PARTICULAR MICHMAN. THE TONE OF THE DISCUSSION SUGGESTED THAT, AT LEAST TO THE MICHMANI INVOLVED, THIS TYPE OF PUNISHMENT WAS AN ACCEPTED DISCIPLINE TOOL.

15. SUMMARY:

(Leave Blank)

(U) A technical investigation team composed of three officers investigated reports of numerous unidentified flying objects (UFOs) sighted over TAIWAN Strait and the Offshore Islands since 17 Jul 68 and concluded they were man-made satellites, "flying saucers," electronic jamming devices, or psychological warfare balloons. The team was assisted in its investigation by [REDACTED] stationed on KINMEN (Quemoy) Island (2427N/11823E).

(Evaluation Reports, DD Forms 1480, prepared on this IR will be classified at least ~~CONFIDENTIAL~~.)

(U) A technical team composed of three officers investigated reported sightings of unidentified flying objects (UFOs) over TAIWAN Strait and the Offshore Islands on 12 and 13 Aug 68.

The following information is the substance of the report, which was dated 1 Sep 68:

a. Starting on 17 Jul 68, UFOs have been sighted flying over KINMEN (Quemoy) Island (2427N/11823E) daily between 1915 and 2130 hours and sometimes between 0400 and 0500 hours. They flew mostly from east to west and sometimes

PAGE 2 OF 2 PAGES
ORIGINATOR 500th MI Gp

from north to south at an estimated altitude of 20,000 to 100,000 feet. Their speed approximated that of a "man-made satellite," and sometimes "a little faster" (EN: Sic, but no actual speed figure was reported). The team members personally observed six UFOs on 12 Aug and four on 13 Aug 68.

b. The UFOs appeared to be as bright as a star (EN: Magnitude not given) and remained in sight from a minimum of one to two minutes, to a maximum of five to ten minutes. They flew a straight course unaffected by wind velocities. Similar UFOs have been sighted also over MATSU (2609N/11956E) and TAIWAN.

c. [REDACTED]

d. On the basis of the investigation, the team expressed the belief that the UFOs possibly were satellites, "flying saucers," electronic jamming devices, or psychological warfare balloons. The UFOs sighted on 13 Aug were referred to as "man-made satellites" [REDACTED]

Comment of Preparing Officer: (S) The above information forms the substance of a report on the UFOs [REDACTED] of the investigating team. It is assumed that the [REDACTED] members have made their own report of the investigation. The term "man-made satellite" appears in the [REDACTED] report as Jen-Tsao-Wei-Hsing (STC 0086/6644/5898/2502) and in one reference in the report it was stated that these UFOs were flying "a little faster" than a "man-made satellite." For an earlier report on the UFOs see 500th MI Gp message DMIG-OT 2078, DTG 192200 Aug 68 (NOTAL), subject: UFO Sighting in Taiwan Strait.
