

**COVID-19 Integration and Coordination Group**

24 April 2020/1500 EDT

**(U) Of Note:**

(U) The Office of the Surgeon General (OSG) produced an analysis of COVID-19 cases relative to DIA locations with corresponding employee residency statistics and county case counts. This product is intended to assist DIA leadership with planning for reconstitution of the workforce. This data will provide a baseline for calculating impacts that any changes to policies and procedures may have on overall mission posture and readiness.
