Dear Senator Kirk,

On behalf of the intelligence professionals at the Defense Intelligence Agency (DIA), I congratulate you on your appointment to the Senate Appropriations Committee, Subcommittee on Defense.

For nearly 50 years, DIA has been the nation's premier all-source military intelligence agency and a key member of the U.S. Intelligence Community. DIA's missions and capabilities support national decision makers and military commanders with all-source analysis, human intelligence, counterintelligence, technical intelligence, and document and media exploitation. DIA also is leading key defense intelligence enterprise functions, including synchronization of military service and combatant command intelligence collection and analysis capabilities.

The enclosure provides some information on DIA, highlighting the work being done by our intelligence professionals through the Agency's unique range of intelligence capabilities. The DIA Office for Congressional and Public Affairs will facilitate the liaison between your office and DIA. Should you or your staff have any questions, please contact Mr. Ben Fallon at 202-231-0830.
