(b)(3):10 USC 424 (hereafter referred to (b) (U/EOUO) In August 2013, two vendors as (b)(3):10 USC 424 (hereafter referred to as) (b)(3):10 USC 424 protested their non-selection for the contract. Both claimed the qualifications of their respective companies were not (b)(3):10 adequately judged. USC 424 (b)(3):10 USC (b)(3):10 424 (3) (U/TOUO) In face of the protests, in August 2013. independently (b)(3):10 **ÚSC 424 USC 424** transferred the work placed on the contract to an existing DIA IT ____ contract, HHM402-11-D-0025. (b)(3):10 USC 424 (b)(3):10 contract awarded to (b)(3):10 USC 424 (b)(3):10 USC 424 USC 424 a 5-year (b)(3):10 (hereafter referred to as (b)(3):10 USC 424 on 19 July 2011, for IT ÙŜĆ 424 (b)(3):10 support to CIO. On 26 August 2013, Mr. Camden placed the requirements of **USC 424** (b)(3):10 <u>task_order 0002 on ESITA task order 0019, and on 12 September 2013.</u> **USC 424** task order 0001 onto task order 0020. placed the requirements of (b)(3):10 USC 424 At some point between August and September 2013, -----withdrew its due to disagreements over its work share and partnership with (b)(3):10 compensation. Coincidently, at some point between August and September 2013, ÙŜĆ 424 (b)(3):10 USC 424 informed 1 hat CIO no longer needed support for the (b)(3):10 USC 424 requirements contract due to a deteriorating budget and other (b)(3):10 priorities. On 6 September 2013, CFO then cancelled the contract and USC 424 made the protests academic. CFO paid (b)(3):10 USC 424 in settlement for work conducted up to the cancellation date. On 9 September 2013, CFO (b)(3):10 task order 0019 at the convenience of the Government, and terminated the **USC 424** paid (b)(3):10 USC 424 in settlement for work up to cancellation date. (b)(3):10 USC 424 (UHTOU) Agent's note. DIA contract records reflected task order 19, was a 3-year, (b)(3):10 USC 424 award made on 26 August 2013, for business analytics support to CIO. Task order 20, was a tõ 2-year, (b)(3):10 USC 424 award made on 12 September 2013, for strategic communications, marketing strategy, and business analytics support to (b)(3):10 CIO. This contract is active and is currently providing IT services to CIO. USC 424 (4) (U/TOUO) Between June and September 2013, CIO executives also-submitted (b)(3):10 supporting documentation for sole-source to allow to support CIO's USC 424 data requirement, which included "data management, data integration, retiring (b)(3):10 legacy data environment, etc." However, in September 2013, CFO executives, USC 424 General Counsel, and the DIA found that ClO's supporting documentation for the sole-source contract was unduly restrictive and unreasonably favored (b)(3):10 Therefore, they rejected the CIO's submission for sole-source. At **ÚSC 424** some point between August and November 2013, (b)(3):10 USC 424 met with (b)(3):10 USC 424 to discuss the appearance of their (b)(3):10 favoritism towards At this meeting, (b)(3):10 USC 424 raised the idea ÚSC 424 so that CIO could contract IT services under the (b)(3):10 USC 424 to MIPR funds to (b)(3):10 USC 424 is a listed vendor).
