[redacted] I would suggest to add [redacted] who has worked intimately with the COV-2 genome. Also, since they have not performed my migration yet, many of my papers are on the low side. I forwarded many of those to [redacted] earlier and have asked her to help me with the [redacted]. Do we have a few days to finish the [redacted]

Team,

(b)(3);10 USC 424; (b)(6)

We are moving forward on the re-evaluation of the SARS-CoV-2 origins analysis. We believe working through an ACH with a diverse group will achieve the best results and ask for your help and participation. The goal was representation from [redacted]

[redacted] if I've missed someone viral to the analysis, please let me know and we can discuss adding them.

(b)(5)

(b)(3):10 USC 424; (b)(6)

put together an initial ACH framework with the evidence they have collected. From here I propose we follow the steps below:

(b)(3):10 USC 424; (b)(5); (b)(6)

We realize this is a big undertaking and appreciate your support! Please reach out if you have additional questions for need assistance.

Cheers,
