(Actually and I asked them to do this a few weeks ago.)

But at the moment it is, of course, "temporarily down for maintenance".

Thank you, sir! Great. Because of our shift schedule, [____] and I probably will be chased from the building sometime between 1400 and 1500 (we're on the earlier shift). But if we miss you today and if you'll have easy access to a phone again tomorrow or later in the week, we are mostly available all week until mid-afternoon.
