I just found out that I have a meeting that I'm required to attend at noon tomorrow. I know it's late, but could change the time to 11 or 1?

Thanks!

Thank you. Would it be OK for me to all you? I can borrow a small conference room so as not to disturb my neighbors (I'm in a cubicle with colleagues nearby), but am not sure what the phone # is.

Thank you [redacted] Though we wouldn't want you to have to make a special trip to the office. If you're in the rest of this week, might you have time on Friday? In any case, we can talk whenever convenient for you. Any day is OK, and generally 1400 or earlier is better for us, since [redacted] and I are on the morning shift every day, but if later is better we may be able to work it out.

I would be happy to discuss the [redacted] I'm hoping by pooling our resources, we can all collaborate on the history of the virus, without duplicating efforts.

I'm in the office this week, but not next week. I might be able to ask for an exception for next week, if it's needed. Do you have any preference for day or time?
