Sounds good – I can do 9a. Well, maybe let's say 915 if that works? Just because there's always something unexpected in the morning. I assume (b)(1); (b)(3):50 USC 3024(i); Sec. 1.4(g) if you prefer that.

You're right, I forgot about (b)(3):50 USC 3024(i) Would you be able to talk before then, like 9 or 9:30? I'd also like to

Thank you,

Tomorrow at 10a works for me, although I do have an invite from (b)(3):50 USC 3024(i); (b)(6) not sure if that's going ahead. We can plan on 10 tomorrow and push it to Wed if (b)(3):50 USC 3024(i); (b)(6) is going ahead?

BTW I am generally flexible this week but it looks like I had a few meetings crop up for Wed – so far should still be free most of the afternoon 1p onward tho.

Thank you, that sounds great. I have a meeting this afternoon but am in all this week. How is tomorrow around 10 am, or anytime Wednesday?

Hi (b)(3):10 USC 424; (b)(6)

(b)(1); (b)(3):50 USC 3024(i); Sec. 1.4(e); (b)(5)

Good to hear from you – and yes, I’m following origin/issue closely. We’ve been getting questions on that pretty much since day one, it’s been a major focus in this building.

But I’d be very curious to hear more about your thinking. Do you want to chat by phone sometime soon? I am open later this afternoon, and pretty flexible the rest of the week too.
